Form 990, Part I, Line 1, Description of Organization Mission:

To provide resources to students and families in need to access financial aid, scholarships, private financial support and counseling to encourage and maximize each student's educational opportunities.

GRASP's focus is on increasing college, technical school, and workforce credential access and graduation rates, particularly among families without sufficient financial resources to accomplish this without GRASP's guidance and financial assistance.

GRASP anticipates continuing to take advantage of the Virginia Neighborhood Assistance Tax Credit Program ("NAP") and Education Improvement Scholarship Program ("EISP"). The NAP and EISP programs provide significant tax incentives to Virginia private and business donors who support scholarships and other tuition assistance programs as defined further in Item III, 4(c).

Form 990, Part III, Line 1, Description of Organization Mission:

GRASP's mission is to help all students and their families, with a focus on financially disadvantaged households, by: giving inspiration and hope that their goals are attainable; assisting them with the financial aid process and awarding scholarships; and supporting them in the attainment of their post-secondary goals at the lowest possible cost. GRASP is the only organization in the regions we serve that is primarily focused on assisting students with the postsecondary financial aid process and scholarship searching for all students.

Financial aid is critical to increasing college access and success and

is most effective when students and families learn about it early enough to make informed choices and plans. GRASP fills a substantial gap in the college access and success pipeline and fulfills our mission to ensure that every student has an equal opportunity for continuing education after high school through a balanced continuum of services.

Form 990, Part III, Line 4c, Program Service Accomplishments:

recognized poverty level for students with disabilities. The EISP Program, a scholarship program for students in K-12 who wish to attend a private school, requires that at least 90% of tax credit generated revenues under this program be paid out in scholarships for students at or below 300% of poverty, or in the case of students with disabilities, 400% of poverty by the end of the following fiscal year end. The GRASP Board has directed that preference be given to scholarships for students with disabilities attending private schools with specialized disability services under the EISP Program.

Form 990, Part VI, Section B, line 11b:

The final version Form 990 is e-mailed to the Chief Financial Officer who then e-mails the return to each voting Board member before the Form 990 is e-filed. The Form 990 is reviewed by the Chief Financial Officer, Treasurer, President and Audit Committee Chairwoman before the it is released for e-filing to the IRS, All board members will have also received the return and have access to the return before its filing.

Form 990, Part VI, Section B, Line 12c:

and actions to be taken by the board member and the governing board upon disclosure of such a conflict.

GRASP has also documented its procedures for addressing the conflict of interest.

GRASP has documented the procedures to be taken when it is believes that a violation of its conflict of interest policy has occurred and procedures to be taken when violation has been deemed to have occurred.

Annually, each board member, committee member and manager with board delegated powers shall sign a statement which affirms that such person has received a copy of the conflict of interest policy, has read and understands the policy, has agreed to comply with the policy and understands GRASP is charitable and in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax exempt purposes.

Outside advisors may be used by GRASP to assist its board with monitoring its compliance with its conflict of interest policy.
