advisor today.

What is GRASP?

GRASP is a nonprofit organization that helps students and families through FREE one-on-one appointments with our highly trained financial-aid professionals.

What happens at a GRASP appointment?

Together with your GRASP Advisor, you will:

- » Develop a customized financial aid plan
- » Navigate the FAFSA (free application for financial aid)
- » Secure an FSA ID
- » Identify additional requirements unique to you
- » Decipher financial aid offers
- » Understand the student loan process
- » Determine remaining steps to enroll
- » Resolve financial aid issues
- » Identify additional resources to reduce debt

Meet with your GRASP advisor to be eligible for a GRASP scholarship:

- » Community College Pathway
- » Last Dollar

Your advisor can also help you find scholarships that meet your specific needs.

“My GRASP Advisor always left me feeling so much better about college and the future.”

GRASP helps after high school, too!

Ask your GRASP advisor about our other programs:

College Prep Boot Camp

One-day camp helps prepare recently graduated high school students for the transition to college.

Summer Texting Program

Regular text messages ensure students stay on track in the summer before college.

College Success

Following students throughout college with email activities and scholarship opportunities designed to encourage college and career success.
