determined that the Organization had no unrelated business income. The Organization is subject to "Accounting for Uncertainty in Income Taxes" under Accounting Standards Codification ("ASC") 740, Income Taxes. ASC 740 requires the evaluation of tax positions taken or expected to be taken in the Organization's tax returns and does not allow recognition of tax positions that do not meet a "more-likely-than-not" threshold of being sustained by the applicable tax authority. The Organization does not believe it has taken any tax positions that would not meet this threshold. The Organization's policy is to reflect interest and penalties related to uncertain tax positions as part of income tax expense, when and if they become applicable. The Organization's federal and state income tax returns are subject to possible examination by the taxing authorities until the expiration of the related statutes of limitations on those tax returns. CatchLight tracks restricted grants from the moment the gift comes in by marking it as restricted in our grant management system, communicating those restrictions to accounting and program staff, and monitoring expenditures throughout the grant period. We build budgets for each restricted grant, and track actual expenditures against the budget. The budget is then updated to make sure all restricted funds are spent appropriately within any time restrictions. The staff that makes the expenditures is who reports the use of the expenditures to the accounting team.
