Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

☒**1** Briefly describe the organization's mission:

The Alliance for Climate Education (ACE) believes we must invest in young people in order to strengthen and sustain the climate movement. We work across the U.S. to increase climate literacy among high school students and support them to take action. Young people have the most

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ?☐ Yes ☒ No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services?☐ Yes ☒ No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.**4a** (Code:) (Expenses \$ 402,234. including grants of \$) (Revenue \$ 34,276.)

Education Program - ACE teaches climate science that puts young people at the center of the story. The live ACE Assembly presents the latest science on climate change causes, consequences and solutions. We deliver the most current research through a unique blend of interactive video, custom animation, music, storytelling, and text messaging. The science content of the assembly reinforces state science standards and maps to Next Generation Science Standards. A recent publication in the academic journal Climatic Change by our expert partners at Yale, George Mason, and Stanford Universities showed that after the ACE Assembly, climate science knowledge increased by 27% and the number of students talking to their parents about the issue more than doubled.

4b (Code:) (Expenses \$ 141,956. including grants of \$) (Revenue \$)

Leadership Program - After the assembly, ACE gives every student a chance to take action. For some students, this is a small lifestyle change like pledging a "DOT", a commitment to Do One Thing to protect the climate like recycling or turning off lights. When students pledge a DOT via text message, they enter the ACE online network where they can learn more about climate science, get tips for educating others, and find resources for leading Action Teams at their school.

We also provide hands-on preparation for deeper work at the community and policy levels through our year-long Action Fellowship. The fellowship gives students knowledge, skills, and confidence to be lifelong climate leaders, and the opportunity to take action on a local

4c (Code:) (Expenses \$ 309,496. including grants of \$) (Revenue \$)

Media and Marketing - ACE uses age-appropriate mobile and email communications as a standard engagement tool for our programs. Our established platforms allow us to be innovative in the way we use SMS and mobile. To that end, we have integrated all of our data systems including Salesforce, Mobile Commons, Control Shift Labs, and social media platforms to maximize our mobilization efficiency with our target demographic, teens.

4d Other program services (Describe in Schedule O.)(Expenses \$ 546,247. including grants of \$) (Revenue \$ 2,080.)**4e** Total program service expenses **1,399,933.**Form **990** (2014)

Form 990, Part III, Line 4d, Other Program Services:

General Program - Over the past year, we have learned it is important
to focus on what we do best as an organization. In 2014, we invested in
strengthening our core programs, and deepening regional and national
partnerships in order to achieve greater collective impact. We also
renewed our commitment to listen to our students. Very few
organizations provide opportunities for youth to inform strategy and
program decisions. In order for ACE to stay relevant to youth,
particularly youth of color, we have to invest in understanding their

Form 990, Part VI, Section B, Line 12c:

The conflict of interest policy is distributed annually to all directors and officers. Each director and officer must sign a statement that affirms that he or she has received a copy of the policy; has read and understood the policy and agrees to comply with the policy. The directors and officers are required to file annually a statement with the Board of Directors which discloses interests which could give rise to conflicts.

Form 990, Part VI, Section B, Line 15a:

The following processes were used to establish compensation for the position of executive director during the current year:

- The Board of Directors annually sets performance objectives as well as reviews the performance of the previous year. The Board then determines

what, if any, salary adjustments should be made based on individual and organizational performance.

- A comparable compensation survey was performed prior to hire. Twice per year, the Board reviews compensation within the non-profit and for-profit sectors to ensure that the ACE position is within a reasonable range of regional norms.

- The salary adjustments are discussed and approved by the Board. The approvals are listed in the respective Board minutes.

All other key employee compensation is determined by the executive director using many of the procedures outlined above and is approved by the board of directors as part of the budget approval process.
