### Independent Auditor's Report

The Board of Directors
Strings Music Festival
Steamboat Springs, Colorado

## **Report on the Financial Statements**

We have audited the accompanying financial statements of Strings Music Festival, which comprise the statement of financial position as of September 30, 2016, and the related statements of activities, functional expenses and cash flows for the fiscal year then ended, and the related notes to the financial statements.

## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Strings Music Festival as of September 30, 2016, and the changes in its net assets and its cash flows for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Report on Summarized Comparative Financial Information**

The financial statements of Strings Music Festival as of September 30, 2015 were audited by a predecessor auditor whose report dated December 10, 2015, expressed an unmodified opinion on those financial statements. In our opinion, the summarized comparative financial information presented herein as of and for the fiscal year ended September 30, 2015 is consistent, in all material respects, with the audited financial statements from which it has been derived.

#### Note 1: Nature of Organization and Significant Accounting Policies

Strings Music Festival (the Organization) was incorporated as a Colorado not-for-profit corporation in December 1986. The Organization's mission is to present innovative programs of distinctive classical and popular contemporary music in an intimate and friendly setting to audiences of all ages, enhancing the cultural, educational and entertainment experiences of the community of Northwest Colorado and its visitors. Concerts are held at the intimate 569-seat Strings Music Pavilion located in Steamboat Springs, Colorado.

#### Basis of Presentation

The Organization prepares its financial statements in accordance with generally accepted accounting principles promulgated in the United States of America (US GAAP) for not-for-profit entities.

## Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period and the reported assets and liabilities at the date of the financial statements. On an ongoing basis, the Organization's management evaluates the estimates and assumptions based upon historical experience and various other factors and circumstances. The Organization's management believes that the estimates and assumptions are reasonable in the circumstances; however, the actual results could differ from those estimates.

### Net Assets

The financial statements report net assets and changes in net assets in three classes that are based upon the existence or absence of restrictions on use that are placed by its donors, as follows:

Unrestricted net assets are resources available to support operations.

<u>Temporarily restricted net assets</u> are resources that are restricted by a donor for use for a particular purpose or in a particular future period. The Organization's unspent contributions are classified in this class if the donor limited their use.

<u>Permanently restricted net assets</u> are resources whose use by the Organization is limited by donorimposed restrictions that neither expire by being used in accordance with a donor's restriction nor by the passage of time. The Organization has no permanently restricted net assets at September 30, 2016.

All revenues are reported as increases in unrestricted net assets in the statement of activities unless the use of the related resources is subject to temporary or permanent donor restrictions. All expenses are reported as decreases in unrestricted net assets. Expirations of temporarily restricted net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

### Net Asset Classifications for Endowment Funds

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958-205-45-28, Classification of Donor-Restricted Endowment Funds Subject to UPMIFA, and FASB ASC 958-205-50-1A, Reporting Endowment Funds, provides guidance on the net asset classification of donor-restricted endowment funds for a not-for-profit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA). FASB ASC 958-205-50-1B improves disclosures about an organization's endowment funds (both donor restricted endowment funds and board designated endowment funds) whether or not the organization is subject to UPMIFA.

The State of Colorado adopted House Bill 08-1173, its enacted version of UPMIFA, effective September 1, 2008.

The Organization's board of directors has established an endowment with unrestricted funds to be used annually for operating expenses or for other types of costs including capital projects.

(with summarized financial information as of September 30, 2015 and for the fiscal year then ended)

### Note 1: Nature of Organization and Significant Accounting Policies (continued)

Endowment Investment and Spending Policies

The Organization has adopted an endowment investment policy requiring a \$200,000 cash reserve to meet operating or capital needs with the remaining funds invested in diversified mutual funds.

The Organization's board of directors has approved 5% of the endowment fund balance, including investment earnings, to be available for use in operations or for capital projects.

#### Cash and Cash Equivalents

Cash equivalents are short term, interest bearing, highly liquid investments with original maturities of three months or less.

### Investments

Investments are reported at fair value in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

Financial instruments are categorized into a three-level fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3).

Investments in mutual funds are based on quoted market prices in active markets and are therefore classified within Level 1. The Organization's certificates of deposit are valued based on other observable inputs and categorized within Level 2.

### Accounts Receivable

Accounts receivable are primarily contributions pledged and program advertising. Management believes that all outstanding receivables are collectible in full; therefore, no allowance for uncollectible receivables has been provided.

## Property and Equipment

Property and equipment is stated at cost, or if donated, the fair value at the date of the gift, less accumulated depreciation. Repairs and maintenance that do not significantly increase the useful life of the asset are expensed as incurred. Depreciation is computed on the straight-line method over the estimated lives of the assets, as follows:

	Years
Land improvements	15
Performance facility	15-40
Machinery and equipment	5-20
Equipment and fixtrues	3-10

### Accounting for Contributions

Contributions, including unconditional promises to give, are recognized as revenues when received. All contributions are reported as increases in unrestricted net assets unless use of the contributed assets is specifically restricted by the donor. Amounts received that are restricted by the donor to use in future periods or for specific purposes are reported as increases in either temporarily restricted or permanently restricted net assets, consistent with the nature of the restriction. Donor-restricted contributions whose restrictions are met within the same reporting period are reported as unrestricted support.

Contributions of assets other than cash are recorded at their estimated fair value at the date of the gift.

(with summarized financial information as of September 30, 2015 and for the fiscal year then ended)

### Note 1: Nature of Organization and Significant Accounting Policies (continued)

#### Grant Revenue

Grant revenue is recognized when the qualifying costs are incurred for cost-reimbursement grants or contracts or when a unit of service is provided for performance grants.

## Expense Recognition and Allocation

The cost of providing the Organization's programs and other activities is summarized on a functional basis in the statement activities and the statement of functional expenses. Expenses that can be identified with a specific program or support service are charged directly to that program or support service. Costs common to multiple functions have been allocated among the various functions benefited.

General and administrative expenses include those costs that are not directly identifiable with any specific program, but which provide for the overall support and direction of the Organization.

Fundraising costs are expensed as incurred, even though they may result in contributions received in future years.

#### Advertising

The Organization expenses the costs of advertising when incurred.

#### Tax Status

The Organization is incorporated exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code (IRC), though it would be subject to tax on income unrelated to its exempt purposes. The Organization currently has no unrelated business income. Accordingly, no provision has been made for income tax. The Organization is not classified as a private foundation.

The Organization's tax returns related to the fiscal years ending September 30, 2013 through 2015 remain open for examination by taxing authorities.

#### Comparative Financial Statements

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with US GAAP. Accordingly, such information should be read in conjunction with the Organization's audited financial statements for the fiscal year ended September 30, 2015, from which the summarized information was derived. Certain prior year amounts have been reclassified to conform to the current year presentation.

(with summarized financial information as of September 30, 2015 and for the fiscal year then ended)

## **Note 5: Retirement Agreement**

The Organization entered into a retirement agreement with its Executive Director upon her retirement as of September 30, 2015. Terms of the agreement require 36 monthly installments of \$3,828 beginning October 31, 2015 through October 31, 2018.

### Note 6: Tap Fee Deferral Agreement

The Organization entered into an agreement with Mt. Werner Water and Sanitation District (the District) to defer payment of tap fees totaling \$7,373 associated with development of the Organization's performance facility. The Organization is scheduled to make annual payments of \$1,843 to the District through the fiscal year ended September 30, 2019.

## Note 7: Temporarily Restricted Net Assets

Temporarily restricted net assets at September 30, 2016 and 2015 are restricted for the following purposes:

	2016		2016 20		
Maintenance of performance facility Contributions for future periods	\$	130,000 51,150	\$	134,000 27,000

Other		12,966		6,080
	\$	266,396	\$	235,587

Many individuals volunteer their time and perform a variety of tasks within the Organization's programs and other activities. However, these services do not meet the criteria for recognition as contributed services in accordance with US GAAP.

## Note 9: Retirement Plan

The Organization offers its employees participation in a 401(k) retirement plan effective January 1, 2016. Employees must have at least twelve consecutive months of service to be eligible to participate in the plan. The Organization matches 100% of employee contributions up to 4% of employee compensation and 50% of employee contributions between 4%-8% of employee compensation. Employees become vested in employer contributions at 20% per year over a five year period. The Organization's contributions to the plan were \$23,344 for the fiscal year ended September 30, 2106.

## Note 10: Subsequent Events

The Organization evaluated subsequent events through December 13, 2016, the date these financial statements were available to be issued.
