Accountant's Compilation Report

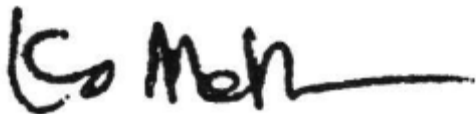

To the Board of Directors

THE LIFEWORKS PROJECT INC
Waynesboro VA 22980

Management is responsible for the accompanying financial statements of The LIFEworks Project Inc (a Virginia Non-Profit Corporation further referred to as "the Company"), which comprise the statement of financial position –modified cash basis as of December 31, 2025, and the related statement of activity –modified cash basis, for the year ended December 31, 2025 and for determining that the modified cash basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants (AICPA). We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The financial statements are prepared in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared in accordance with the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Company's assets, liabilities, net assets, revenues, and expenses. Accordingly, the financial statements are not designed for those who are not informed about such matters.
