POLICY & ORGANIZING: TLC provided training, convening and strategy opportunities to hundreds of transgender leaders, and built capacity of allies in related social justice movements to support this work through an array of programs. The organization worked in coalition to engage leaders from across the country to educate the public regarding its expansive vision and to build movement alignment. To protect youth, TLC has played a critical national support, coordination, and convening role, working with groups where the attacks against trans people are centered, especially in the South and the Midwest. TLC is collaborating with key partners in the South to center the leadership and expertise of Southern trans policy groups and advocates to build a shared strategy to counter the intensity of the backlash against trans people.

4c (Code:) (Expenses \$ 1,928,160. including grants of \$) (Revenue \$ 218,284.)

The organization's free, national legal Helpdesk and its Prison Mail Program responded to thousands of requests. Further, TLC incubates projects providing legal and humanitarian assistance to individuals in need.
