Notes to Consolidated Financial Statements	13-49

## **Independent Auditor's Report**

The Board of Trustees  
Catholic Charities, Diocese of Brooklyn  
Brooklyn, New York

### ***Opinion***

We have audited the consolidated financial statements of Catholic Charities, Diocese of Brooklyn and Related Agencies (the Organization), which comprise the consolidated statement of financial position as of June 30, 2025, the related consolidated statements of activities, changes in net assets, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Organization as of June 30, 2025, and the changes in its net assets and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America (GAAP).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Emphasis of Matter***

As discussed in Notes 1, 2, and 18 to the consolidated financial statements, the Organization is reporting Saints Joachim & Anne Nursing and Rehabilitation Center as discontinued operations. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the Consolidated Financial Statements***

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

BDO USA, P.C., a Virginia professional corporation, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

### ***Auditor's Responsibilities for the Audit of the Consolidated Financial Statements***

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

*BDO USA, P.C.*

## Notes to Consolidated Financial Statements

---

### 1. Organization

Catholic Charities, Diocese of Brooklyn (Catholic Charities) is a not-for-profit corporation that provides a variety of social services throughout the boroughs of Brooklyn and Queens. Catholic Charities is the sole corporate member of the following organizations:

- Catholic Charities Neighborhood Services (CCNS) is a not-for-profit corporation that provides a variety of social services throughout the boroughs of Brooklyn and Queens. CCNS has experienced decreases in net assets for several years and has an accumulated net deficit at June 30, 2025. CCNS has received internal grants and capital loans from Catholic Charities through June 30, 2025 and is economically dependent on Catholic Charities for financial support.
- Progress of Peoples Management Corporation (POP Management) is a not-for-profit organization that was organized for the purpose of providing management and operational services for low-income housing projects located in the boroughs of Brooklyn and Queens. POP Management derives most of its revenue from fees earned for services provided to affiliated low-income housing projects.
- Catholic Charities Progress of Peoples Development Corporation (POP Development) is a not-for-profit organization whose primary function is to sponsor, arrange, and provide affordable housing to low-, moderate-, or middle-income residents, including the elderly. All properties are located in Brooklyn and Queens. POP Development wholly owns or controls the sole stockholder of 25 for-profit entities, collectively referred to as “General Partner Corporations.” The General Partner Corporations have a minority interest in 22 limited partnerships. POP Development also controls 19 Not-for-Profit Housing Affiliates and 11 For-Profit Housing Affiliates (the Housing Affiliates). Support for POP Development comes primarily from developer fees.
- Pierrepont Charitable Fund (PCF) is a not-for-profit organization whose primary purpose is to assist in the support and funding of the activities of Catholic Charities.
- Saints Joachim & Anne Nursing and Rehabilitation Center (the Center) is a not-for-profit voluntary nursing home located in Brooklyn, New York. The Center is a skilled nursing facility with a 200-bed capacity. The Center’s primary source of revenue is from Medicaid and Medicare patients. The Center is reported as discontinued operations in the accompanying consolidated financial statements. See Notes 2 and 18.
- Mary’s Hall, Inc. (Mary’s Hall) is a not-for-profit corporation established to assist in creating, promoting, and fostering better social and living conditions in New York City, New York State, and elsewhere in the United States of America. Mary’s Hall controls 11 For-Profit Housing Affiliates .

## Notes to Consolidated Financial Statements

---

### 2. Summary of Significant Accounting Policies

#### *Principles of Consolidation*

The consolidated financial statements include Catholic Charities, CCNS, POP Management, POP Development, Mary's Hall, the General Partner Corporations, the Housing Affiliates, PCF, Laudato Si Corporation, and the Center.

Additionally, the consolidated financial statements include the accounts of 25 For-Profit Housing Affiliates in which the General Partner Corporations have a controlling interest. These entities are included in the consolidation in accordance with the accounting standards for determining whether a general partner, or the general partners as a group, controls a limited partnership or similar entity when the limited partners have certain rights. In accordance with the accounting standards, management determined that the presumption of control for the limited partnerships in which POP Development owns the entire stock of the general partners had not been overcome, and as a result, the Organization is required to consolidate the financial statements of those limited partnerships.

All material intercompany transactions and balances have been eliminated in consolidation.

#### *Basis of Presentation*

The accompanying consolidated financial statements of the Organization have been prepared on the accrual basis of accounting and conform to accounting principles generally accepted in the United States of America (GAAP). In the consolidated statement of financial position, assets and liabilities are presented in order of liquidity or conversion to cash and their maturity resulting in the use of cash, respectively.

#### *Non-Controlling Interests*

In accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 810, *Consolidation*, the Organization reports non-controlling interests, sometimes referred to as minority interests, as part of total net assets in the consolidated statement of financial position. Furthermore, the Organization reports the changes in net assets of both the controlling and non-controlling interests, for the period presented, in the consolidated statement of changes in net assets.

#### *Consolidated Financial Statement Presentation*

The classification of a not-for-profit organization's net assets and its support, revenue, and expenses is based on the existence or absence of donor-imposed restrictions. It requires that the amounts for each of the two classes of net assets—with donor restrictions and without donor restrictions—be displayed in a statement of financial position and that the amounts of change in each of those classes of net assets be displayed in a statement of activities.

These classes are defined as follows:

*Without Donor Restrictions* - This class consists of net assets that are not subject to donor-imposed stipulations and are, therefore, available for the general operations of the Organization.

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

*Without Donor Restrictions: Non-Controlling Interest in Limited Partnerships* - This consists of the aggregate balance of limited partnership/member equity interest (both positive and negative amounts) in non-wholly owned limited partnerships that are included in the consolidated financial statements.

*With Donor Restrictions* - This class consists of net assets with donor restrictions whose use is limited by donor-imposed time and/or purpose restrictions. When a donor restriction expires—that is, when a stipulated time restriction ends, or purpose restriction is accomplished—the net assets are reclassified as net assets without donor restrictions and reported in the consolidated statement of activities as net assets released from restrictions.

Some net assets with donor restrictions include a stipulation that assets provided be maintained permanently (perpetual in nature) while permitting the Organization to expend the income generated by the assets in accordance with the provisions of additional donor-imposed stipulations or a board-approved spending policy. At June 30, 2025, the Organization has net assets with donor restrictions held in perpetuity of \$2,822,008. See Note 9 for further discussion of net assets with donor restrictions in perpetuity.

### ***Cash and Cash Equivalents***

For purposes of the consolidated statement of cash flows, the Organization considers all highly liquid investments purchased with an initial maturity of three months or less to be cash equivalents.

### ***Restricted Deposits and Funded Reserves***

Many of the Organization's housing affiliates are subject to U.S. Department of Housing and Urban Development (HUD) regulatory agreements, which restrict the use of the property and limit the use of project cash. Under these regulatory agreements, many of the subsidiaries are precluded from receiving any distributions of operating cash. Nonprofit housing affiliates are required to prepare a surplus cash calculation annually, and any surplus cash, as defined in the individual agreements, is required to be deposited in a residual receipts account controlled by HUD. The existing deposits to this account at June 30, 2025 (which includes all prior required contributions less withdrawals) are included in restricted deposits and funded reserves on the accompanying consolidated statement of financial position.

The following table provides a reconciliation of cash and total deposits (restricted cash) reported within the consolidated statement of financial position that sum to the total of the cash, cash equivalents, and restricted cash shown in the consolidated statement of cash flows:

*June 30, 2025*

---

Cash and cash equivalents	\$ 71,610,810
Amounts held for others	57,992
Restricted deposits and funded reserves	42,216,798
	<hr/> 113,885,600
Add: cash, cash equivalents, and restricted cash of discontinued operations	5,258,238
<b>Total</b>	<b>\$ 119,143,838</b>

---

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

### *Fair Value Measurements*

GAAP establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that inputs that are most observable be used when available. Observable inputs are those that market participants operating within the same marketplace as the Organization would use in pricing the Organization's asset or liability based on independently derived and observable market data. Unobservable inputs are inputs that cannot be sourced from a broad active market in which assets or liabilities identical or similar to those of the Organization are traded. The Organization estimates the price of any asset or liability for which there are only unobservable inputs by using assumptions that market participants that have investments in the same or similar assets or liabilities would use as determined by the money managers for each investment based on best information available in the circumstances. The input hierarchy is broken down into three levels based on the degree to which the exit price is independently observable or determinable, as follows:

*Level 1* - Valuations are based on quoted market prices in active markets for identical assets or liabilities. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.

*Level 2* - Valuations are based on quoted market prices of investments that are not actively traded or for which certain significant inputs are not observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

*Level 3* - Valuations are based on inputs that are unobservable and reflect management's best estimate of what market participants would use as fair value.

Investment return, net, is recognized when earned and consists of interest, dividends, and realized and unrealized gains and losses, less direct external investment expenses. Dividends are recorded on the ex-dividend date. Purchases and sales are recorded on a trade-date basis.

### *Accounts Receivable and Bad Debts*

Accounts receivable are charged to bad debt expense when they are determined to be uncollectible based upon a periodic review of the accounts by management. GAAP requires that the allowance method be used to recognize bad debts; however, the effect of using the direct write-off method is not materially different from the results that would have been obtained under the allowance method.

For transactions subject to ASC Topic 606, *Revenue from Contracts with Customers* (ASC 606), accounts receivable are recorded at the reimbursable or contracted amount and do not bear interest. Billings for services under third-party payor programs are included in revenue, net of allowances for contractual discounts and implicit price concessions for differences between the amounts billed and estimated program payment amounts. Adjustments to the estimated payment amounts based on final settlement with the programs are recorded in the period the final settlement occurs as an adjustment to revenue.

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

### ***Current Expected Credit Loss***

The FASB issued Accounting Standards Update (ASU) 2016-13, *Financial Instruments - Credit Losses (Topic 326)*. The ASU introduces a new credit-loss methodology, Current Expected Credit Loss (CECL), which requires earlier recognition of credit losses, while also providing additional transparency about credit risk.

The CECL methodology utilizes a lifetime “expected credit loss” measurement objective for the recognition of credit losses for loans at the time the financial asset is originated. The expected credit losses are adjusted each period for changes in expected lifetime credit losses. The methodology replaces the multiple existing impairment methods in current GAAP, which generally require that a loss be incurred before it is recognized.

The Organization recognizes an allowance for credit losses for the financial assets carried at amortized cost to present the net amount expected to be collected as of the statement of financial position date. Such allowance is based on the credit losses expected to arise over the life of the asset (contractual term), which includes consideration of prepayments, and based on the Organization’s expectation as of the consolidated statement of financial position date, restructurings that will be executed.

Assets are written off when the Organization determines that such financial assets are deemed uncollectable or based on regulatory requirements, whichever is earlier. Write-offs are recognized as a deduction from the allowance for credit losses. Expected recoveries of amounts previously written off, not to exceed the aggregate amount previously written off, are included in determining the necessary reserve at the consolidated statement of financial position date.

The Organization pools its service fees from third-party reimbursements receivable based on similar risk characteristics in estimating its expected credit losses. The Organization continuously evaluates such pooling decisions and adjusts as needed from period to period as risk characteristics change. As of June 30, 2025, the amount of service fees from third-party reimbursements receivables subject to credit loss was \$4,517,242.

### ***Allowance for Credit Losses***

The Organization utilizes a loss-rate approach in determining its lifetime expected credit losses on its service fees from third-party reimbursements receivables from patients and/or third-party payors (including government programs and health insurers) and others based on services to individuals with development disabilities and mental health services, as well as other treatment services. This method is used for calculating any estimated losses based primarily on peer group loss experience. In determining the loss rates, The Organization evaluates information related to its peer losses, adjusted for current condition, and further adjusted for the period of time that can be reasonably forecast. For the fiscal year ended June 30, 2025, based on the Organization’s evaluation, an allowance of approximately \$1,268,000 for credit losses was reserved.

### ***Fixed Assets, Net***

Fixed assets, net, are stated at cost less accumulated depreciation and amortization, and computed using the straight-line method. Items with a cost of more than \$1,000 and an estimated useful life of more than one year are capitalized. Leasehold improvements are amortized using the straight-line method over the life of the lease or useful life of the asset, whichever is shorter.

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

Depreciation is provided using the straight-line method over the estimated useful lives of the assets, as follows:

Asset Category	Useful Lives (Years)
Buildings and building improvements	5-40
Capitalized software	3-5
Leasehold improvements	5-18
Furniture and equipment	3-25

Costs associated with the development and rehabilitation of any projects are capitalized and included in construction-in-progress and are recorded at cost.

### ***Impairment of Long-Lived Assets***

The Organization reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be fully recoverable. When recovery is reviewed, if the undiscounted cash flows estimated to be generated by the property are less than its carrying amount, management compares the carrying amount of the property to its fair value in order to determine whether an impairment loss has occurred. The amount of the impairment loss is equal to the excess of the asset's carrying value over its estimated fair value. No impairment loss has been recognized during the year ended June 30, 2025.

### ***Predevelopment Costs***

The Organization incurs costs in connection with properties it is considering for development, as well as costs associated with properties in the initial stages of development. These costs include such items as market studies, purchase options, environmental study cost, legal, and accounting costs. These costs are capitalized and recorded as predevelopment project costs until such time as the project either is abandoned or becomes an approved project with independent funding sources. Predevelopment project costs are charged to operations at either the time a potential project is no longer considered desirable or feasible, or the project has incurred excess development costs, which are absorbed by the Organization and charged to operations per terms of the related partnership agreement. Predevelopment project costs related to projects that are ultimately developed are recorded as receivables and are included in other assets in the accompanying consolidated statement of financial position.

### ***Amounts Held for Others***

Amounts held for others include amounts held for residents in the nursing home, intermediate care facilities, independent residences assistance, and the community residences programs. The account is primarily cash, funded by Social Security checks for the residents, which is used to fund the personal needs of the residents and to reimburse CCNS and the Center for general costs associated with the maintenance of the residents.

### ***Assets and Liabilities Held-for-Sale***

Certain assets and liabilities for the Center that meet accounting requirements to be classified as held-for-sale are presented as single asset and liability amounts in the consolidated statement of financial position.

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

The determination of fair value for assets involves judgments and assumptions.

Development of estimates of fair values in this circumstance is dependent upon, among other factors, the nature of the potential sale transaction, composition of assets and liabilities, the comparability to market transactions, negotiations with purchaser, etc. Such factors bear directly on the range of potential fair values and the selection of the best estimates.

Management reviews all assets held-for-sale each reporting period to determine whether the existing carrying amounts are fully recoverable in comparison to estimated fair values.

Assets are reported at carrying costs.

The activities for the Center that meet accounting requirements to be classified as held-for-sale are presented as a single line item in the consolidated statement of activities and consolidated statement of cash flows that meet accounting requirements to be classified as held-for-sale.

### ***Annuities Payable***

Charitable gift annuities are recorded at the date the assets are received after recording liabilities for the actuarial present value of the estimated payments to be made to donors and/or other beneficiaries. Such contributions are recorded as increases in net assets with donor restrictions if received with donor restrictions. The liabilities are adjusted annually for changes in the value of the assets and changes in the estimates for future benefits. The change in value of split-interest agreements is recorded in contributions, grants, and bequests in the accompanying consolidated statement of activities.

### ***Debt Issuance Costs***

Debt issuance costs, net of accumulated amortization, are reported as a direct deduction from the face amount of the mortgage loan payable to which such costs relate. Amortization of debt issuance costs is reported as a component of interest expense and is computed using an imputed interest rate on the related loan.

### ***Investment in Unconsolidated Entities***

The Organization holds an investment in a limited partnership that is not consolidated as it is not controlled by the Organization. The investment is accounted for under the cost method of accounting and recorded at cost.

### ***Revenue Recognition***

ASC 606 outlines a five-step model whereby revenue is recognized as performance obligations within a contract are satisfied. The five-step model is outlined below.

1. Identify the contract(s) with a customer.
2. Identify the performance obligations in the contract.
3. Determine the transaction price.
4. Allocate the transaction price to the performance obligations in the contract.

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

5. Recognize revenue when (or as) the entity satisfies a performance obligation.

The Organization recognizes revenue when control of the promised goods or services is transferred to outside parties in the amount that reflects the consideration the Organization expects to be entitled to in exchange for those goods or services. ASC 606 also requires new and expanded disclosures regarding revenue recognition to ensure an understanding as to the nature, amounts, timing, and uncertainty of revenue and cash flows arising from contracts with customers. The Organization has identified service fees from third-party reimbursements as the only revenue category subject to ASC 606.

Revenues with customers is comprised of the following:

*Year ended June 30, 2025*

Medicaid	\$	20,857,959
Medicare		438,901
Third-party insurance		165,367
Supplemental Security Income and Social Security Income		1,783,301
Miscellaneous		44,370
<b>Service Fees from Third-Party Reimbursements</b>		<b>23,289,898</b>
<b>Total Revenue from Contracts Subject to ASC 606</b>		<b>23,289,898</b>
Other revenues not subject to ASC 606		183,076,690
<b>Total Operating Revenues</b>	<b>\$</b>	<b>206,366,588</b>

Receivables and contract balances from contracts with customers are as follows:

	Contract Liabilities	Receivables
Beginning of year	\$ 2,058,968	\$ 2,973,620
End of year	1,633,146	4,517,242

### ***Service Fees from Third-Party Reimbursements***

Service fees from third-party reimbursements disaggregated by line of service are as follows:

*Year ended June 30, 2025*

Clinics	\$	8,113,551
Flatbush Addiction Treatment Center		223,836
Personalized Recovery Oriented Services		2,269,433
Community Living Program		5,867,841
Health Homes		2,750,916
Residential Habilitation		2,418,040
Social Security		1,646,281
<b>Service Fees from Third-Party Reimbursements</b>	<b>\$</b>	<b>23,289,898</b>

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

The Organization receives revenues for services provided to approved clients under contract or other regulations with various government agencies. Revenue from service fees provided under such agreements may be subject to predetermined budgets or provisional rates. Amounts reported as revenue from third-party reimbursement are subject to possible adjustment after audit. Amounts related to third-party reimbursements and/or settlements are reported as program liabilities in the accompanying consolidated statement of financial position.

Management is of the opinion that adjustments, if any, resulting from any audits will not have a material adverse effect on the Organization's financial position or changes in net assets and will be recorded in the year they become known.

Revenue is recognized as performance obligations are satisfied over time based on actual charges incurred in relation to total expected (or actual) charges. The Organization recognizes its fee-for-service performance obligation after the patients receive care or treatment and when the Organization has properly documented the type of care in the patient charts. The Organization measures revenue from the commencement of services to the continuation of services, and until services are no longer required. The Organization believes that this method provides a reasonable representation of the transfer of services over the term of the performance obligation based on the inputs needed to satisfy the obligation.

As substantially all of its performance obligations relate to established rate agreements with a duration of less than one year, the Organization has elected to apply the optional exemption provided in ASU 2014-09 and, therefore, is not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period.

Throughout the year, rates may vary, as determined by New York State, and the Organization will record additional revenue resulting from a rate increase and record a reduction of revenue with a rate decrease. These rate adjustments represent variable consideration in the form of explicit or implicit price concessions and the Organization considers these amounts in determination of the transaction price based on its estimates of contractual adjustments (based on contractual agreements), its policies, and historical experience including its historical collection experience.

As a practical expedient, the Organization utilizes the portfolio approach for analyzing the revenue contracts, in accordance with ASC 606. The Organization accounts for the contracts within each portfolio collectively, rather than individually, based on each revenue stream. The Organization considers the similar nature and characteristics of the contract and customers in using the portfolio approach. The Organization believes that the use of the portfolio approach to analyze contracts will not differ materially than if the contracts were analyzed individually.

### ***Service Fees from Governmental Agencies***

A portion of the Organization's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Government and other grants revenues are non-exchange transactions in which no commensurate value is exchanged. Accordingly, contribution accounting is applied under ASC Topic 958, *Not-for-Profit Entities*. Government and other grants contracts are evaluated for contributions that are conditional. Factors indicating the existence of a conditional contribution include the presence of a barrier that must be overcome and either a right of return of assets transferred or a right of release of a funder's obligation to transfer the assets.

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions.

### ***Rental Revenue***

Rental income is recognized for apartment rentals as earned. Advance receipts of rental income are deferred and classified as liabilities until earned. Rentals are generally under annual lease agreements. All leases between the properties and tenants are considered to be operating leases.

### ***Management and Developer Fees***

Development and builder fees are recognized as income in the year earned based on the percentage-of-completion method, taking into account the total anticipated development costs of the related project and the completion, tax credit, and operating deficit guarantee obligations of POP Development to the respective limited partnerships. The unearned portion is deferred and included in other long-term liabilities on the accompanying consolidated statement of financial position.

### ***Contributions***

Contributions and promises to give are recorded as revenue at the time they are made or pledged unconditionally and supported by a written commitment. Contributions are classified as either with or without donor restrictions. Contributions are non-exchange transactions in which no commensurate value is exchanged. Therefore, contributions fall under the purview of ASC Topic 958, *Not-for-Profit Entities*.

Unconditional promises to give that are expected to be collected within one year are recorded at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at present value of estimated future cash flows. Conditional promises to give are not included as support until such time as the conditions are substantially met.

### ***Contributed Nonfinancial Assets***

Contributions of services are recognized when they are received if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not donated.

The Organization uses rent-free and below-fair-market-value facilities at certain program locations. The fair value of the contributed rent is reflected as support and occupancy cost. The fair value of the contributed rent is determined by comparable rent properties in the neighborhood. Total contributed rent for the year ended June 30, 2025 was \$1,523,666.

The value of contributed services relating to Head Start, Early Head Start, and Early Head Start expansion programs (Early Childhood Services) was \$3,417,808 for the year ended June 30, 2025. Contributed services and consultant revenue were valued based on number of hours services were provided by volunteers and applicable teacher's salary rate. The value of these services represents the difference between the compensation that would have been paid to the volunteer and the comparable compensation that would be paid if an employee were to hold these positions. In addition, the Organization received other noncash contributions relating to Head Start, Early Head Start, and Early Head Start expansion programs of \$1,817,174 for the year ended June 30, 2025.

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

Other noncash contributions are valued based on the costs of educational material and curriculum received that would otherwise have to be purchased.

Total contributed nonfinancial assets of \$6,758,648 have been recorded in contributed goods, services, and rent on the accompanying consolidated statement of activities.

The value of contributed nonfinancial assets consisted of the following:

*Year ended June 30, 2025*

Program services - Early Childhood Services - contributed rent	\$	1,523,666
Program services - Early Childhood Services - contributed services		3,417,808
Program services - Early Childhood Services - other contributed nonfinancial assets		1,817,174
<b>Total</b>	<b>\$</b>	<b>6,758,648</b>

### **Functional Allocation of Expenses**

The cost of providing programs by the Organization has been summarized on a functional basis in the accompanying consolidated financial statements. Accordingly, expenses have been charged to program and supporting services based on direct expenses and other specific allocation methods. Costs common to multiple functions have been allocated among the program and supporting services based on time and effort measurements and other methods:

- Staff costs are allocated based on time and effort.
- Occupancy, depreciation, and information technology costs are allocated based on square footage.
- General and administrative expenses include costs not identifiable with any specific program, but that provide for the overall support and direction of the Organization.

### **Endowment**

The Organization follows the provisions of ASC 958, *Not-for-Profit Entities*, related to enhanced disclosures for all endowment funds. The Organization has also adopted the provisions of the New York Prudent Management of Institutional Funds Act (NYPMIFA), which was enacted by the state of New York on September 17, 2010. The law is designed to allow organizations to cope more easily with fluctuations in the value of their endowments and to afford them greater access to funds needed to support their programs and services in difficult financial times. It also expands the options available to organizations seeking relief from donor restrictions on funds that have become obsolete, impracticable, or wasteful. The adoption of this law did not have a material effect on the Organization's consolidated financial statements.

### **Tax Status**

Catholic Charities, CCNS, PCF, the Center, POP Development, POP Management, Mary's Hall, and the Not-for-Profit Housing Affiliates are classified as tax-exempt organizations under Section 501(c)(3) of the Internal Revenue Code and, therefore, have made no provision for income taxes in the accompanying consolidated financial statements.

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

Catholic Charities, CCNS, PCF, the Center, POP Development, POP Management, Mary's Hall, and the Not-for-Profit Housing Affiliates have not taken an unsubstantiated position that would require provision of a liability under GAAP. Under GAAP, an organization must recognize the tax liabilities associated with tax positions taken for tax return purposes when it is more likely than not that the position will not be sustained upon examination. There are no material uncertain tax positions and, accordingly, management has not recognized any liability for unrecognized tax benefits as of June 30, 2025. Catholic Charities, CCNS, PCF, the Center, POP Development, POP Management, Mary's Hall, and the Not-for-Profit Housing Affiliates have filed Internal Revenue Service (IRS) Form 990 tax returns, as required, and all other applicable returns in jurisdictions where it is required. For the year ended June 30, 2025, there were no interest or penalties recorded or included in the accompanying consolidated financial statements. Catholic Charities, CCNS, PCF, the Center, POP Development, POP Management, Mary's Hall, and the Not-for-Profit Housing Affiliates are subject to routine audits by taxing authorities. As of June 30, 2025, Catholic Charities, CCNS, PCF, the Center, POP Development, POP Management, Mary's Hall, and the Not-for-Profit Housing Affiliates were not subject to any examinations by a taxing authority.

The For-Profit Housing Affiliates have elected to be treated as pass-through entities for income tax purposes and, as such, are not subject to income taxes. Rather, all items of taxable income, deductions, and tax credits are passed through to and are reported by the owners on their respective income tax returns. The For-Profit Housing Affiliates' federal tax status as pass-through entities is based on their legal status as partnerships or limited liability companies. Accordingly, the For-Profit Housing Affiliates are not required to take any tax positions in order to qualify as pass-through entities. The For-Profit Housing Affiliates are required to file and do file tax returns with the IRS and other taxing authorities. Accordingly, these consolidated financial statements do not reflect a provision for income taxes and the Housing Affiliates have no other tax positions that must be considered for disclosure.

The General Partner Corporations operate as C corporations and are not exempt from income taxes. The General Partner Corporations account for income taxes in accordance with the asset and liability method. Under this method, deferred tax assets and liabilities are recognized for temporary differences between consolidated financial statement and income tax bases of assets and liabilities using enacted tax rates in effect in the years in which the differences are expected to reverse. A valuation allowance is established when necessary to reduce deferred tax assets to the amount expected to be realized. No taxable income was reported by the General Partner Corporations as of June 30, 2025, and no temporary differences between consolidated financial statement and income tax bases of assets or liabilities that are required to be reported existed at June 30, 2025. Accordingly, these consolidated financial statements do not reflect a provision for income taxes or deferred tax assets or liabilities, and the General Partner Corporations have no other tax positions that must be considered for disclosure.

### *Use of Estimates*

The preparation of the consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

### *Concentration of Credit Risk*

Financial instruments that potentially subject the Organization to concentrations of credit risk consist primarily of cash and cash equivalents. At times, the Organization has cash deposits at financial institutions that exceed the Federal Deposit Insurance Corporation insurance limits. These financial institutions have strong credit ratings and management believes that credit risk related to these accounts is minimal.

### *Risks and Uncertainties - Investments*

The Organization's investments consist of a variety of investment securities. Such securities are subject to various risks that determine the value of the funds, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain securities and the level of uncertainty related to changes in the value of these securities, it is reasonably possible that changes in market conditions in the near term could materially affect the value of the Organization's investments reported in the accompanying consolidated financial statements.

### **3. Related Party Transactions**

The Organization transacts business on behalf of and with other affiliated agencies of the Roman Catholic Diocese of Brooklyn (the Diocese). It has availed itself of services provided by such related organizations, including the rental of facilities, insurance, and pension. In addition, the Organization provides certain administrative services to related entities for which it is reimbursed.

Amounts due from and to affiliated agencies consist of the following:

*June 30, 2025*

---

Due from affiliated agencies:		
Family Home Care	\$	216,816
Other affiliates		76,012
	\$	292,828
<hr/>		
Due to affiliated agencies:		
Roman Catholic Diocese of Brooklyn	\$	8,940,161
Other affiliates		2,964,887
	\$	11,905,048

---

In 2011, Catholic Charities entered into an agreement with Rockland Ecclesiastical Corporation to purchase the property in Brooklyn for \$12,350,000. Prior to 2011, Catholic Charities leased the premises for \$1 per year. Catholic Charities paid the Diocese \$1,350,000 at closing and paid Rockland Ecclesiastical Corporation \$1,000,000 on both January 2, 2012 and 2013. In addition, Catholic Charities entered into a mortgage note with the Diocese for the remaining \$9,000,000. The mortgage note requires principal and interest of \$275,000 semiannually through July 1, 2059. In addition, the purchase sale agreement gives Rockland Ecclesiastical Corporation the right to repurchase the property for \$1 at the end of the agreement. The interest rate on the note approximates 6%. At June 30, 2025, the Organization had \$8,762,450 outstanding on the mortgage note, included within due to affiliated agencies on the accompanying consolidated statement of financial position.

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

### 4. Investments, at Fair Value

Investments recorded at fair value have been categorized based upon a fair value hierarchy in accordance with GAAP. See Note 2 for a discussion of the Organization's policies regarding this hierarchy.

The financial assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Organization's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement within the fair value hierarchy levels.

A description of the valuation techniques applied to the Organization's assets measured at fair value is as follows:

*Short-Term Investments and Equities* - These investments are carried at their aggregate market value, as determined by quoted market prices. These investments are classified as Level 1.

*Fixed Income* - These investments are priced by the investment managers using nationally recognized pricing services. These investments are classified as Level 2. U.S. Treasury investments are classified as Level 1.

*Beneficial Interest in Charitable Trust* - The Organization is a beneficiary of a charitable trust administered by an outside party. Under the terms of the trust, the Organization has the right to receive income earned on the trust assets and will receive the trust assets after the trust has been terminated or a maximum period of 25 years. These investments are classified as Level 3 as there currently is no market in which beneficial interests in trusts trade; therefore, no observable exit price exists for a beneficial interest in a charitable trust.

At June 30, 2025, the beneficial interest in charitable trust consists of \$5,141 in fixed income.

The following table represents the Organization's fair value hierarchy for those assets measured at fair value:

*June 30, 2025*

	Fair Value	Level 1	Level 2	Level 3
Short-term investments	\$ 3,552,483	\$ 3,552,483	\$ -	\$ -
Equities	47,773,012	47,773,012	-	-
Fixed income:				
Government securities	23,871,520	23,871,520	-	-
Mortgage-backed securities	3,229,107	-	3,229,107	-
Corporate bonds	9,666,968	-	9,666,968	-
<b>Total Investments</b>	<b>\$ 88,093,090</b>	<b>\$ 75,197,015</b>	<b>\$ 12,896,075</b>	<b>\$ -</b>
Beneficial interest in charitable trust	\$ 5,141	\$ -	\$ -	\$ 5,141

There have been no changes in the methodologies used at June 30, 2025. There were no transfers between levels during the year ended June 30, 2025.

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

The table below sets forth a summary of changes in fair value of the Level 3 assets:

*Year ended June 30, 2025*

	Level 3 Assets
<b>Beginning Balance</b>	\$ 459,976
Net appreciation in fair value of investments	10,230
Fees	(17,350)
Transfer out	(447,715)
<b>Ending Balance</b>	<b>\$ 5,141</b>

### 5. Fixed Assets, Net

Fixed assets, net, are summarized as follows:

*June 30, 2025*

Land	\$ 29,857,610
Buildings and building improvements	532,842,852
Furniture and equipment	11,888,080
Capitalized software	149,907
Leasehold improvements	6,962,429
	581,700,878
Less: accumulated depreciation and amortization	(204,455,351)
	377,245,527
Construction-in-progress	87,908,700
<b>Fixed Assets, Net</b>	<b>\$ 465,154,227</b>

Depreciation and amortization expense for the year ended June 30, 2025 totaled \$14,670,188. Construction-in-progress includes costs associated with renovations of various sites. Total cost to completion for the various site renovations is approximately \$71,588,000 at June 30, 2025.

### 6. Cash Held in Escrow for Construction and Restricted Deposits and Funded Reserves

The Organization also has restricted deposits and funded reserves for cash and investments of \$42,216,798 and \$5,749,421, respectively, totaling \$47,966,219 as of June 30, 2025, which primarily represent mortgage escrows, replacement reserves, and operating deficit reserves. The escrows and replacement reserves are held by the mortgage lender for the majority of the partnerships and are invested in cash and cash equivalents and investments, at fair value. The operating deficit reserves are generally required by the partnership agreements and are held in cash and cash equivalents.

### 7. Expenses by Nature and Function

Functional expenses are allocated based on the actual expenses and time occurred on each function and program.

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

The table below presents expenses by both their nature and function:

*Year ended June 30, 2025*

	Program Services	General and Administration	Fundraising	Total
Salaries and related expenses	\$ 71,521,393	\$ 11,826,344	\$ 982,867	\$ 84,330,604
Professional fees and contract service payments	11,802,142	2,825,218	48,777	14,676,137
Office and administrative expenses	2,632,484	739,953	4,086	3,376,523
Telephone and utilities	8,058,218	225,937	6,499	8,290,654
Postage and shipping	19,704	12,250	1,741	33,695
Occupancy costs	11,348,987	(381,006)	-	10,967,981
Rental, lease, and purchases of equipment	1,589,555	296,814	21,226	1,907,595
Travel expenses	124,701	27,521	8,219	160,441
Conferences, conventions, and meetings	465,226	16,536	927	482,689
Printing and publications	72,146	14,071	22,193	108,410
Grant expense	398,813	349,647	-	748,460
Real estate tax	8,419,340	-	-	8,419,340
Aid to clients	20,540,355	423	-	20,540,778
Insurance	7,671,358	367,261	1,252	8,039,871
Repairs and maintenance	8,187,639	267,995	-	8,455,634
Depreciation and amortization	15,444,203	(774,015)	-	14,670,188
Purchased services	23,451	851,239	-	874,690
Interest expense	6,307,316	315,855	-	6,623,171
Provision for credit losses and doubtful accounts, net of recoveries	1,737,842	15,000	-	1,752,842
Servicing, trustee, and other financial expenses	1,521,671	342,683	-	1,864,354
Security and other operating expenses	4,075,925	6,799	-	4,082,724
Other	4,540,269	1,180,944	919,108	6,640,321
	\$186,502,738	\$ 18,527,469	\$ 2,016,895	\$207,047,102

## 8. Pension Plan

### *Defined Benefit Plan*

The Organization provided pension benefits to eligible employees through the Pension Plan of Roman Catholic Diocese of Brooklyn (the Diocesan Plan), a multi-employer defined benefit plan prior to October 2014.

Effective October 1, 2014, the Organization established the Catholic Charities Diocese of Brooklyn and Queens Pension Plan (the CCBQ Pension Plan) to assume the assets and liabilities in connection with the provision of retirement benefits to current and former employees who previously accrued retirement benefits under the Diocesan Plan. The plan qualifies as a “church plan,” as defined, and is not subject to the provisions of the Department of Labor (DOL) or the Employee Retirement Income Security Act of 1974 (ERISA), as amended. On October 1, 2014, Catholic Charities withdrew from the Diocesan Plan and froze the CCBQ Pension Plan.

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

The following sets forth the CCBQ Pension Plan's funded status from the most recent actuarial study, which was prepared for the July 1, 2021 plan year. The changes in the benefit obligation and fair value of plan assets, the funded status of the plan, the components of net periodic pension cost, and the assumptions used in the measurement of the CCBQ Pension Plan benefit obligation are as follows:

*June 30, 2025*

---

### Change in Benefit Obligation

Projected Benefit Obligation, beginning of year	\$	95,845,948
Interest cost		4,856,276
Actuarial loss		(201,903)
Benefits paid		(6,390,460)
<b>Projected Benefit Obligation, end of year</b>	<b>\$</b>	<b>94,109,861</b>

---

*June 30, 2025*

---

### Change in Fair Value of Plan Assets

Fair Value of Plan Assets, beginning of year	\$	82,304,102
Actual return on plan assets		8,217,859
Employer contributions		1,700,016
Benefits paid		(6,390,460)
<b>Fair Value of Plan Assets, end of year</b>	<b>\$</b>	<b>85,831,517</b>

---

*June 30, 2025*

---

Funded status:

Unfunded status of plan, which is included in other long-term liabilities in the consolidated statement of financial position	\$	(8,278,344)
---	----	-------------

---

The net periodic pension cost is comprised of the following components:

*Year ended June 30, 2025*

---

Interest cost on projected benefit obligation	\$	4,856,276
Expected return on assets		(5,363,389)
Amortization of unrecognized actuarial net gain		(775,217)
<b>Net Periodic Pension Income</b>	<b>\$</b>	<b>(1,282,330)</b>

---

The total amount recognized in the consolidated statement of activities consists of net periodic pension income of \$1,282,330, which is included in general and administrative expense in the consolidated statement of activities.

The CCBQ Pension Plan assets are measured at fair value on a recurring basis. Fair value is defined as the price that would be received to sell an asset in an ordinary transaction between market participants at the measurement date.

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

A description of the valuation techniques applied to assets measured at fair value is as follows:

*Fixed-Income Securities* - Fixed-income securities include domestic corporate bonds, U.S. Treasury securities, and mortgage securities. The investment managers priced these investments using nationally recognized pricing services. Since fixed-income securities other than U.S. Treasury securities may not trade on a daily basis, the pricing services prepare estimates of fair value measurements for these securities using their proprietary pricing applications, which include available relevant market information, benchmark curves, benchmarking of similar securities, sector grouping, and matrix pricing. These investments are classified as Level 2.

*Common Stock* - The fair value of these investments is based on quoted market prices. Investments that are listed on an exchange are valued, in general, at the last reported sale price. These investments are classified as Level 1.

*Short-Term Funds* - Short-term funds consist of cash and equivalents, which are used to fund the short-term expense of the plan. These investments are classified as Level 1.

Plan assets were as follows:

*June 30, 2025*

	Level 1	Level 2	Level 3	Fair Value
Cash and cash equivalents	\$ 2,116,005	\$ -	\$ -	\$ 2,116,005
Mortgage securities	-	2,308,313	-	2,308,313
U.S. government agencies	-	18,040,751	-	18,040,751
Domestic corporate bonds	-	6,674,368	-	6,674,368
Common stock	53,828,874	-	-	53,828,874
Short-term funds	2,863,206	-	-	2,863,206
<b>Total Investments</b>	<b>\$58,808,085</b>	<b>\$27,023,432</b>	<b>\$ -</b>	<b>\$85,831,517</b>

Long-term investment objectives are to maintain plan assets that will assist in covering long-term obligations and to generate a return on plan assets sufficient to offset the growth of obligations.

A diversified portfolio and various risk management techniques are used to achieve these objectives.

The discount rate used in determining the actuarial present value of the projected benefit obligation was 5.30% as of June 30, 2025. The expected long-term return on plan assets was 6.75% in fiscal year 2025. The discount rates were selected to reflect the interest rate environment at the respective measurement dates. The expected long-term rate-of-return assumptions were selected to represent reasonable expectations of future experience. The plan utilizes the Pri-2012 mortality tables with MP-2021 improvement scale.

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

Plan benefits anticipated to be made by Catholic Charities are as follows:

*Year ending June 30,*

2026	\$	7,652,302
2027		6,962,503
2028		6,972,515
2029		6,956,910
2030		6,920,504
2030-2035		33,630,438
	\$	69,095,172

---

The employer contribution expected to be paid in 2025 is approximately \$1,700,000.

### **403(b) Pension Plan**

Concurrent with the freezing of the CCBQ Pension Plan, Catholic Charities established the Catholic Charities Brooklyn and Queens Retirement 403(b) Plan (the CCBQ 403(b) Plan), a defined contribution retirement plan. The plan qualifies as a “church plan,” as defined, and is not subject to provisions of the DOL or ERISA.

Under the CCBQ 403(b) plan, all eligible qualifying employees participate in the plan. Eligible employees may also make an elective salary contribution to the CCBQ 403(b) Plan. For all eligible employees, the Organization makes a non-elective contribution of various percentages to the plan. The total amount of each eligible employee’s contribution in the CCBQ 403(b) Plan may not exceed \$23,000 and \$23,500 for calendar years ended December 31, 2024 and 2025, respectively. In addition, employees over the age of 50 are eligible for a catch-up provision, which allows an additional contribution amount not to exceed \$7,500, for a total contribution amount of \$30,500 and \$31,000 for calendar years ended December 31, 2024 and 2025, respectively. The Organization makes a matching contribution equal to the employee’s salary reduction not to exceed 1% of the employee’s compensation. At June 30, 2025, the Organization contributed approximately \$1,698,000 to the CCBQ 403(b) Plan.

### **1199SEIU Health Care Employees Pension Fund**

Union employees are covered by a pension plan administered by the union, 1199SEIU Health Care Employees Pension Fund (the Union Plan). Total pension costs for the year ended June 30, 2025 related to union employees were approximately \$726,000.

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

The following table presents information about the Union Plan:

*June 30, 2025*

Legal Name	EIN	Pension Protection Act (PPA) Certified <sup>(1)</sup>	Contributions	Surcharge Imposed
1199SEIU Health Care Employees Pension Fund	13-3604862/001	Green	\$ 831,258,648	No

<sup>(1)</sup> The most recent PPA zone status available in 2025 is for the Union Plan's year ended December 31, 2024. The zone status is based on information received from the plan and is certified by the Union Plan's actuary. Among other factors, plans in the red zone are generally less than 65% funded, plans in the yellow zone are less than 80% funded, and plans in the green zone are at least 80% funded.

### 9. Net Assets with Donor Restrictions

Net assets with donor restrictions are available for the following purposes:

*June 30, 2025*

<b>Net Assets Restricted in Perpetuity</b>	
Catholic Foundation	\$ 1,115,457
Julia Walden Fund	710,986
Futures Fund	995,565
<b>Total Net Assets Restricted in Perpetuity</b>	<b>2,822,008</b>
<b>Net Assets with Purpose Restrictions</b>	
Family Services	1,559,777
Early Childhood Services	19,669
Behavioral Health Services	177,616
Older Adult Services	1,729,990
Comprehensive Human Services	8,720,252
Low-Income Housing	735,200
Financial Management Services	250,000
<b>Total Net Assets with Purpose Restrictions</b>	<b>13,192,504</b>
<b>Total</b>	<b>\$ 16,014,512</b>

Net assets with donor restrictions were released for the following purposes:

*Year ended June 30, 2025*

Family Services	\$ 1,052,152
Early Childhood Services	94,611
Behavioral Health Services	3,075,931
Comprehensive Human Services	5,865,951
Older Adult Services	139,241
Other	12,141
	<b>\$ 10,240,027</b>

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

Catholic Charities is the beneficiary of The Domenica Amelia Arra Carrella Charitable Trust for the Benefit of the Catholic Charities of the Diocese of Brooklyn (the Trust). Income from the Trust is distributed annually for a maximum period of 25 years unless the trustees terminate the Trust and distribute all of the principal and income beforehand. Upon such termination of the Trust, all principal and undistributed net income shall be distributed to Catholic Charities. Distributions of income from the Trust are reported as investment income on the consolidated statement of activities. The corpus of the trust fund is administered by JPMorgan Chase Bank as co-trustee. Catholic Charities has reported the fair value of the contribution receivable from the Trust of \$5,141 at June 30, 2025 as net assets with donor restrictions in the accompanying consolidated financial statements. The Trust is restricted for purposes of comprehensive human services. Changes in the fair value of the Trust are reported as donor-restricted gains or losses.

### *Endowment Funds*

The Catholic Foundation (formerly, The Alive in Hope Foundation) includes investments held by the Catholic Foundation for the benefit of Catholic Charities, which are reflected as amounts held by others in the accompanying consolidated statement of financial position. Any change in the fair value of investments held by the Catholic Foundation is reported as investment income, with donor restrictions, in the accompanying consolidated statement of activities.

### *Interpretation of Relevant Law*

The Organization classifies as an endowment fund to be restricted in perpetuity (a) the original value of gifts donated to the endowment fund, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument, when applicable. In accordance with the accounting guidance associated with the adoption of NYPMIFA, the remaining portion of the donor-restricted endowment fund that is not classified as donor restricted in perpetuity is classified as donor restricted for programs until those amounts are appropriated for expenditure.

In accordance with NYPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund.
- The purposes of the Organization and the donor-restricted endowment fund.
- General economic conditions.
- The possible effect of inflation and deflation.
- The expected total return from income and the appreciation of investments.
- Where appropriate and the circumstances would otherwise warrant, alternatives to expenditure of the endowment fund, giving due consideration to the effect such alternatives may have on the Organization.
- Other resources of the Organization.

### *Fund Deficiencies*

From time to time, the fair value of the assets associated with the individual donor-restricted endowment funds may fall below the level that is required to retain as a fund of perpetual duration

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

(underwater). Of the donor-restricted endowment funds, one fund requires the investment gains and losses on the fair value of the asset to be added to the corpus. All other donor-restricted funds record the gains to net assets with donor restrictions and losses, if underwater, to net assets without donor restrictions. There were no fund deficiencies as of June 30, 2025.

### *Return Objectives and Risk Parameters*

The Organization has adopted investment policies for the endowment assets that attempt to provide a predictable return on its endowment while seeking to maintain the purchasing power of the endowment assets. Under this policy, the endowment assets are invested in a manner that is intended to maintain the corpus of the endowment fund with little or no risk. The Organization expects its endowment funds, consistent with underlying investments, which are primarily in money market funds, to provide an average rate of return of approximately 1% annually. Actual returns in any given year may vary from this amount.

### *Spending Policy*

The Organization does not have a formal spending policy. The Organization spends the return during the year it is earned, as needed. There was a \$268,803 spending appropriation by the Board of Directors for the year ended June 30, 2025.

Changes in endowment net assets are as follows:

### *Year ended June 30, 2025*

	Accumulated Endowment Earnings*	Endowment Fund	Total
<b>Endowment Net Assets</b> , beginning of year	\$ 629,524	\$ 2,822,008	\$ 3,451,532
Net appreciation (realized and unrealized)	168,387	-	168,387
Appropriation of endowment assets for expenditure	(268,803)	-	(268,803)
<b>Endowment Net Assets</b> , end of year	\$ 529,108	\$ 2,822,008	\$ 3,351,116

\* Accumulated endowment earnings are subject to the Organization's appropriation spending policy.

## **10. Leases**

Leases are classified as operating leases based on the underlying terms of the agreement and certain criteria, such as the term of the lease related to the useful life of the asset and the total lease payments to be made as compared to the fair value of the asset, amongst other criteria. For leases with initial terms greater than a year, the Organization records the related right-of-use (ROU) assets and liabilities at the present value of the lease payments to be paid over the life of the related lease. Variable lease payments are excluded from the amounts used to determine the ROU assets and liabilities unless the variable lease payments depend on an index or rate or are, in substance, fixed payments. Lease payments related to periods subject to renewal options are also excluded from the amounts used to determine the ROU assets and liabilities unless the Organization is reasonably certain to exercise the option to extend the lease. The present value of lease payments is calculated by utilizing the discount rate stated in the lease, when readily determinable. For leases

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

for which this rate is not readily available, the Organization has elected to use a risk-free discount rate determined using a period comparable with that of the lease term. The Organization has made an accounting policy election not to separate lease components from non-lease components in contracts when determining its lease payments for all of its asset classes, as permitted by ASU 2016-02. As such, the Organization accounts for the applicable non-lease components together with the related lease components when determining the ROU assets and liabilities.

The Organization has made an accounting policy election not to record leases with an initial term of less than a year as ROU assets and liabilities.

The following tables summarize information related to the lease assets and liabilities:

### *Year ended June 30, 2025*

---

Finance lease cost:		
Amortization of ROU assets	\$	495,956
Interest on lease liabilities		304,793
<b>Total Lease Cost</b>	<b>\$</b>	<b>800,749</b>

---

### *June 30, 2025*

---

ROU assets and liabilities:		
ROU assets - operating leases	\$	28,448,322
Operating lease liabilities		28,846,974
ROU assets - finance leases		7,539,444
Finance lease liabilities		8,091,714

---

### *Year ended June 30, 2025*

---

Other information:		
Cash paid for accounts included in the measurement of lease liabilities:		
Operating cash flows from operating leases	\$	357,674
Operating cash flows from finance leases		5,313,193
Weighted-average remaining lease term - operating leases		10.93 years
Weighted-average discount rate - operating leases		3.55%
Weighted-average remaining lease term - finance leases		14.76 years
Weighted-average discount rate - finance leases		3.35%

---

### ***Operating Leases***

ROU assets - operating leases and operating lease liabilities are recorded in the accompanying consolidated statement of financial position.

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

The following table reconciles the undiscounted operating lease payments to the lease liabilities recorded on the accompanying consolidated statement of financial position at June 30, 2025:

*Year ending June 30,*

2026	\$	5,270,159
2027		4,815,970
2028		4,027,218
2029		3,328,699
2030		3,143,739
Thereafter		14,924,562
<b>Total Lease Payments</b>		<b>35,510,347</b>
Less: imputed interest		(6,663,373)
<b>Total Operating Lease Liabilities</b>	<b>\$</b>	<b>28,846,974</b>

### *Finance Lease*

The Organization leases one building under a finance lease that expires in March 2040. The lease, which is secured by the underlying property, requires monthly payments of principal and interest at 3.35% per annum.

The following is a schedule of future minimum lease payments, including interest under the term of the lease, together with the present value of the net minimum lease payments:

*Year ending June 30,*

2026	\$	629,959
2027		629,959
2028		629,959
2029		629,959
2030		647,583
Thereafter		7,217,165

### 11. Commitments and Contingencies

#### *Operating Deficit Guarantee/Operating Deficit Loan Guarantee*

##### *Operating Deficit Guarantee*

If, at any time after the Completion Date of certain Housing Affiliates, as defined in the individual agreements, an Operating Deficit exists, as defined in the individual agreements, then the General Partners (100% owned by CCPOP Development) for certain Housing Affiliates shall contribute funds (an Operating Deficit Contribution) to the partnership as a contribution to capital in an amount equal to the amount of the Operating Deficit. The General Partners' obligation shall be unlimited through the Stabilization Date, as defined in the individual agreements. The obligation of the General Partners to make Operating Deficit Contributions shall terminate on the date that the following have occurred simultaneously: (i) the project has operated at Breakeven for at least three consecutive calendar years following the Stabilization Date, as defined in the individual agreements, of the project; and (ii) the balance in the Operating Reserve equals or exceeds the minimum required per the partnership agreements. As of the date of this report, no amounts have been funded under this guarantee. The General Partners' remaining obligation to make Operating Deficit Contributions after the Stabilization Date, as defined in the individual agreements, which are not funded from the Operating Reserve, is limited to \$1,495,000.

If, at any time during the period beginning upon the date Breakeven Operations, as defined in the individual agreements, are achieved and ending on the date on which Breakeven Operations, as defined in the individual agreements, are maintained over 12-month periods on an annual basis for three years of which at least two years shall be consecutive, an Operating Deficit, as defined in the individual agreements, exists, the Managing Member (100% owned by CCPOP Development) for Howard Beach Apartments, LLC shall provide such funds to Howard Beach Apartments, LLC as necessary to pay such Operating Deficits, as defined in the individual agreements; provided, however, that the Managing Member shall not be obligated to provide more than \$853,509, plus amounts repaid as Operating Deficit Loans, in the aggregate. Any such funds provided after the achievement of Breakeven Operations, as defined in the individual agreements, shall be in the form of a noninterest-bearing loan to the Organization. As of the date of this report, no amounts have been funded under this guarantee.

If, at any time during the period beginning upon the date Breakeven Operations, as defined in the individual agreements, is achieved and ending on the date on the later of (i) the fifth anniversary of such date, or (ii) the Organization achieving the required Debt Coverage Ratio, as defined in the individual agreements, for the final two years during such period, an Operating Deficit, as defined in the individual agreements, exists, the Managing Member (100% owned by POP Development) for Loreto Preservation LLC shall provide such funds to the Organization as necessary to pay such Operating Deficits, as defined in the individual agreements; provided, however, that the Managing Member shall not be obligated to provide more than \$436,200. As of the date of this report, no amounts have been funded under this guarantee.

##### *Operating Deficit Loan Guarantee*

If, at any time prior to the date that all of the conditions for the Investor Member's Final Installment are satisfied (Period 1), an Operating Deficit, as defined in the individual agreements, exists, the Managing Member (100% owned by the Organization) for 55 Pierrepont LLC shall fund the Operating Deficit, as defined in the individual agreements, without limitation as to amount through Operating

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

Deficit Loans. At any time during a minimum of five years after Period 1 until dissolution and liquidation of 55 Pierrepont LLC, the Managing Member's obligation to fund Operating Deficits, as defined in the individual agreements, through Operating Deficit Loans shall continue in an additional amount (but not reduced by any Operating Deficit Loans made in Period 1) not to exceed \$1,813,429 in the aggregate. If, after the five years have passed, 55 Pierrepont LLC has maintained the required debt service coverage ratio, as defined in the individual agreements, for a 12-month period, the Managing Member's obligation to fund guarantees will expire. As of the date of this report, no amounts have been funded under this guarantee.

If, at any time during the period beginning upon the date Breakeven Operations, as defined in the individual agreements, is achieved and ending on the date on the later of i) the third anniversary of such date, or ii) final closing, as defined in the individual agreements, an Operating Deficit, as defined in the individual agreements, exists, the Managing Member for Caring Supported Housing LLC shall provide such funds in the form of an Operating Deficit Loan to Caring Supported Housing LLC as necessary to pay such Operating Deficits, as defined in the individual agreements; provided, however, that the Managing Member shall not be obligated to provide more than \$1,503,851 and only to the extent there are no funds in the operating reserve or other reserve accounts, as defined in the individual agreements. As of the date of this report, no amounts have been funded under this guarantee.

### *POP Development Guarantees*

POP Development and its general partners assume the normal risks and responsibilities of a general partner. POP Development and several of the General Partner Corporations have provided certain guarantees to several investee partnerships, as follows:

#### *Tax Contribution Guarantee*

If, at any time certain for-profit housing affiliates become liable for recordation or property sales taxes not identified in the Projections, as defined in the individual agreements, the General Partners shall contribute funds to the investee partnership an amount equal to such taxes. Any amounts funded under this guarantee shall not be deemed capital contributions to the investee partnership and shall not be repayable by the investee partnership. Since no such taxes were projected to be paid, the maximum potential amount of future payments under this guarantee cannot be estimated. As of the date of this report, no amounts have been funded under this guarantee.

#### *Wilson Avenue, Limited Partnership Loan Guarantee*

In connection with the development of a rental property, Wilson Avenue, a limited partnership, obtained a \$500,000 purchase money mortgage from the Roman Catholic Church of St. Leonard. Simple interest accrues at a rate of 1% per annum. No interest is due or payable before the date of the closing of the permanent loan. The Organization has agreed to make the following payments:

On the first day of the first month following the one-year anniversary of the Commencement Date, as defined in the individual agreements, and on the first day of the first month following each successive anniversary of the Commencement Date prior to and including the Maturity Date, the Organization shall pay principal and interest totaling \$19,298.

As of June 30, 2025, cumulative payments totaling \$405,265 have been made under this guarantee, including \$19,298 during the year ended June 30, 2025.

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

### *Livonia C3, LLC Loan Guarantee*

In connection with the construction of a rental property for Livonia C3, LLC, CCPOP Development, as the guarantor of the construction loan, is required to maintain financial covenants of a minimum net worth of \$5,000,000 and liquidity of \$2,000,000. These financial covenants have been met for the fiscal year ended June 30, 2025.

### *Lease with the Church of Our Lady of Loreto*

CCPOP Development entered into a ground lease (the Church Property Ground Lease) and a project ground lease (the Project Ground Lease) agreement on January 11, 2011 with the Church of Our Lady of Loreto for land located in Brooklyn, New York, to be used for the construction and operation of an 88-unit rental project (the Loreto Project) for low-to-moderate-income families. The term of the lease is for 53 years commencing on the date the lease agreement was signed. CCPOP Development made a lump-sum rental payment of \$607,000 for the two leases upon the closing of a construction loan for the development of the Loreto Project. The lump-sum rental payment is being amortized over the life of the lease.

On October 3, 2019, the Church Property Ground Lease was amended to update the term of the lease to 99 years expiring on March 17, 2109. On November 25, 2019, as part of the sale of the land and building covered by the Church Property Ground Lease from the Church of Our Lady of Loreto to Mary's Hall, Mary's Hall assumed all rights and interests as the lessor of the Church Property Ground Lease. Further, on December 18, 2019, CCPOP Development assigned its rights, title, and obligation to the lease to Loreto II HDFC and Loreto II LLC, under the same terms and conditions, in exchange for \$157,000 paid by Loreto II LLC to CCPOP Development as part of Loreto II LLC's bond closing.

On November 25, 2019, as part of the sale of the land and building covered by the Project Ground Lease from the Church of Our Lady of Loreto to Mary's Hall, Mary's Hall assumed all rights and interests as the lessor of the Project Ground Lease. The term of the lease remains in effect for the original 53-year period. CCPOP Development concurrently subleases the land under the Project Ground Lease to OL Loreto HDFC and Loreto Preservation LLC under the same terms and conditions. This transaction is eliminated in consolidation.

### *Lease with Howard Beach Apartments, LLC*

The Organization entered into a master lease agreement on December 19, 2011 with Howard Beach Apartments, LLC for space located in Howard Beach, New York, to be used for a community facility space. The term of the lease is for 30 years, beginning on the Commencement Date, as defined in the individual agreements. CCPOP Development is required to make annual rent payments of \$20,000, adjusted annually based on the lesser of the consumer price index percentage, as defined in the individual agreements, and 3%, and an additional amount of not less than \$25,000 for the cost of utilities. The estimated fair market value of the rent for this space is \$221,595 and the difference is presented as part of the in-kind contribution and expense. This transaction is eliminated in consolidation.

The Organization concurrently subleases the space under a sublease agreement to CCNS. The lease, which was renewed on August 1, 2021 for a three-year term, requires an annual rent payment of \$60,897, with an annual increase of 3%, and an additional payment of \$25,948 for the cost of utilities. Rental income of \$92,330 is included on the accompanying consolidated statement of activities. The estimated fair market value of the rent for this space is \$221,595 and the difference is presented as part of the in-kind contribution and expense, included in contributed goods, services,

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

and rent, and general and administrative expenses, respectively, on the accompanying consolidated statement of activities.

### ***Litigation***

The Organization's entities are defendants in various legal actions arising out of the normal course of their operations. Although the final outcome of such actions cannot currently be determined, the Organization believes that eventual liability, if any, will not have a material effect on the Organization's consolidated financial position.

### ***Federal, State, and City Funding***

The Organization participates in various state and city programs for the benefit of clients with mental health issues. These programs have strict requirements for participation and, accordingly, the Organization is subject to government program reviews covering compliance with laws and regulations.

The expenses of programs that have been reimbursed pursuant to state and city government contracts and grants are subject to audit by the respective granting agencies.

## **12. Current Vulnerability Due to Certain Concentrations**

POP Management's and the Housing Affiliates' operations are concentrated in the multifamily real estate market. In addition, they operate in a heavily regulated environment. The operations of the multifamily real estate projects are subject to the administrative directives, rules, and regulations of federal agencies, including, but not limited to, HUD and the IRS. Such administrative directives, rules, and regulations are subject to change by an Act of Congress, or an administrative change mandated by HUD or the IRS. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with the change. For the 2025 fiscal year, the Organization did not have any regulation changes that impacted its operations.

## **13. Long-Term Debt**

Aggregate annual maturities of long-term debt over each of the next five years and thereafter are as follows:

*Year ending June 30,*

2026	\$	7,126,963
2027		5,611,691
2028		4,899,264
2029		5,396,375
2030		40,927,161
Thereafter		293,257,727
<b>Total</b>		<b>357,219,181</b>
Less:		
Current portion		(7,126,963)
Unamortized debt issuance costs		(5,602,457)
<b>Total Long-Term Portion</b>	<b>\$</b>	<b>344,489,761</b>

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

### *Catholic Charities*

Catholic Charities has a line of credit with TD Bank for \$10,000,000. The current interest rate at June 30, 2025 is 7.25%, which is tied to the prime interest rate. Catholic Charities had \$2,400,000 outstanding under the line of credit as of June 30, 2025. Catholic Charities is required to have a minimum aggregate deposit balance of \$10,000,000 between Catholic Charities and CCNS at the issuing institution. The line of credit has a maturity date of March 2027.

### *Saints Joachim and Anne Nursing and Rehabilitation Center*

On April 30, 2015, the Center entered into a \$17,546,600 mortgage loan agreement with a financial institution through an HUD program. The HUD mortgage has a maturity date of April 1, 2028, bears interest at a rate of 3.23%, and is secured by the Center's facility. During the year ended June 30, 2025, the Center incurred interest of \$157,946, including amortization of debt issuance costs of \$19,862. Debt issuance costs, net of accumulated amortization, totaled \$114,972 as of June 30, 2025.

The mortgage is subject to certain financial and reporting covenants that the Center is required to satisfy on a recurring basis. The Center's management believes it has complied with the covenants. As of June 30, 2025, the property associated to the mortgage is classified as assets held-for-sale (see Note 18); as a result, the entire balance of the mortgage payable, net of deferred financing costs, will be paid off at the closing of the sale. The balance due as of June 30, 2025 amounted to \$4,382,311 and is included in liabilities held-for-sale on the consolidated statement of financial position.

### *Progress of Peoples Development Corporation*

In October 2003, POP Development entered into an unsecured, noninterest-bearing loan agreement with Green Point Bank, which was subsequently acquired by Capital One Bank, under the Federal Home Loan Bank Act's Affordable Housing Program in the amount of \$183,616, in order to subsidize 715 St. John's Place Limited Partnership, an affordable housing entity. As of June 30, 2025, the entire original principal balance is outstanding. This advance will be considered to be repaid in full in September 2033 as long as the affordable housing project remains available for persons of low income.

In July 2009, POP Development entered into an unsecured, noninterest-bearing loan agreement with New York Community Bank, under the Federal Home Loan Bank Act's Affordable Housing Program in the amount of \$735,200, in order to subsidize Caring Community Homes Association. As of June 30, 2025, the entire original principal balance is outstanding.

In December 2011, POP Development entered into a secured, noninterest-bearing loan agreement with New York Community Bank, under the Federal Home Loan Bank Act's Affordable Housing Program in the amount of \$1,380,083, in order to subsidize Howard Beach Apartments, LLC, an affordable housing entity. As of June 30, 2025, the entire original principal balance is outstanding. This advance will be considered to be repaid in full on the 15<sup>th</sup> anniversary of the issuance of the project's certificate of occupancy, as long as the affordable housing project remains available for persons of low income.

## Notes to Consolidated Financial Statements

---

### *For-Profit and Not-for-Profit Affiliates*

The For-Profit and Not-for-Profit Housing Affiliates have several mortgages payable to various lending institutions and/or local housing. These notes bear interest at rates ranging from noninterest-bearing to 9.25%, have monthly payments ranging from \$8,140 to \$146,938, and mature at various dates through February 2068. Many of the notes are insured under various Federal Housing Administration (FHA) sections of the National Housing Act. As of June 30, 2025, \$199,875,983 remained outstanding.

On October 31, 2019, Catherine Sheridan HDFC entered into a mortgage note agreement with an outside lender to borrow \$54,965,400. The mortgage is approved by HUD. The mortgage note is insured by the FHA and is collateralized by a deed of trust on the rental property. The note bears interest at the rate of 2.99% per annum. Principal and interest are payable by the Organization in monthly installments of \$211,228 through maturity on November 1, 2054. Debt issuance costs, net of accumulated amortization, totaled \$399,695 as of June 30, 2025 and are related to the first mortgage. Debt issuance costs on the above note are being amortized using an imputed rate of 2.99%. As of June 30, 2025, \$49,556,982 remained outstanding.

The liability of the For-Profit and Not-for-Profit Housing Affiliates under these mortgage notes is limited to the underlying value of the real estate collateral, assignment of rents and leases, and other amounts deposited with the lenders.

Under various agreements with the mortgage lender, the housing affiliates and limited partnerships are required to make monthly escrow deposits for taxes, insurance, and replacement of project assets, and are subject to restrictions as to operating policies, rental charges, operating expenditures, and distributions to partners.

In September and October 2024, 101-105 South 8<sup>th</sup> Street HDFC; 176 South 8<sup>th</sup> Street HDFC; and 72 Lewis Avenue Apartments HDFC each entered into a mortgage and note modification agreement with New York City Department of Housing Preservation and Development (NYCHPD). The maturity dates under these modified agreements are December 1, 2033, October 1, 2033, and January 1, 2044, respectively. Interest rates under these modified agreements range from 1% to 1.25%.

The mortgages are collateralized by the underlying value of the rental real estate, plus amounts on deposit and an assignment of rents.

Capital advance notes are discharged and deemed paid on the maturity date provided that the project remained available for occupancy by eligible families until the maturity date and the note does not otherwise become due and payable by reason of default under the note, the mortgage, or the Regulatory Agreement. In the event of default, at the option of the lender, the entire principal and interest shall be payable on demand. As of June 30, 2025, \$84,421,761 remained outstanding.

### **14. Housing Assistance Payment Contract Agreements**

FHA has contracted with various For-Profit Housing Affiliates, and various Not-for-Profit Housing Affiliates have entered into a project rental assistance contract with the HUD, to make housing assistance payments to the projects on behalf of the qualified tenants. The expiration dates of the agreements range from August 2023 through December 2041.

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

In January 2001, HUD issued the Guidebook for Section 8 Renewal Policy (the Guidebook), which provides guidance for the renewal of expiring Section 8 project-based contracts. The Guidebook is a comprehensive resource for all renewals and is updated periodically to reflect program and legislative changes.

The Guidebook sets forth six options for renewing Section 8 contracts. They consist of requesting renewal under the mark-up-to-market procedures, renewing contracts with current rents at or below comparable market rents but not being renewed using the mark-up-to-market option, referring projects to the Office of Assisted Housing Preservation (OAHP) for processing and renewal when the contract has rents greater than market rents, renewing contracts for projects exempted from OAHP, renewing contracts for portfolio reengineering demonstration or preservation projects, and opting out of the Section 8 program. Owners are limited to selecting options based upon eligibility at the expiration of the Section 8 contract. Owners must submit renewal requests and required documentation to HUD at least 120 days before contract expiration.

Contracts may be renewed for one to 20 years, but multiple-year contracts are funded for one year with the balance of the contract subject to annual appropriations. Subsequent renewals of contracts may be made under any option the contract is eligible for at the time of renewal.

For contracts that expire in the next 12 months, management plans to apply for renewal.

### 15. Program Liabilities

The Organization has recorded an overhead reserve of \$1,060,524, which relates to underspending of the approved overhead reimbursement rate, and other miscellaneous liabilities from various funding sources have been recorded in the amount of \$1,352,938.

### 16. Liquidity and Availability

The Organization's resources and financial assets available within one year for general expenditures were as follows:

*June 30, 2025*

---

Financial assets at year-end:	
Cash and cash equivalents	\$ 71,610,810
Accounts receivable, net	20,656,799
Miscellaneous current assets	448,417
Investments	88,093,090
<b>Total Financial Assets</b>	<b>180,809,116</b>
Less amounts not available to be used within one year:	
Net assets with donor restrictions	(16,014,512)
<b>Financial Assets Available to Meet General Expenditures Within One Year</b>	<b>\$ 164,794,604</b>

---

The Organization receives contributions restricted by donors and considers contributions restricted for programs that are ongoing and central to its annual operations to be available to meet cash needs for general expenditures. The Organization manages its liquidity and reserves by operating within a prudent range of financial soundness and stability. Additionally, to help manage unanticipated

# Catholic Charities, Diocese of Brooklyn and Related Agencies

## Notes to Consolidated Financial Statements

---

liquidity issues, the Organization has a line of credit in the amount of \$10 million. At June 30, 2025, \$7,600,000 of the line of credit was available to draw upon.

### 17. Conditional Grants

The Organization has grant agreements with several donors that consist of providing conditional funding in future years, amounting to \$291,030,863 at June 30, 2025. A corresponding grant receivable has not been recorded on the consolidated statement of financial position, as the conditional grants are contingent upon incurring qualifying expenditures and fulfilling milestones. Conditional promises to give are recognized when the conditions upon which they depend are substantially met. Until that point, any amounts that are received are recorded as refundable advances. Refundable advances of \$10,454,233 have been included as program advances on the consolidated statement of financial position at June 30, 2025.

### 18. Sale of the Center

On April 8, 2024, the Organization entered into a real estate purchase agreement and an asset purchase agreement to sell the Center to an unrelated third party. The sale includes all real estate and operation assets of the Center. The sale is pending regulatory approval and the expected closing date of the sale is unknown.

As a result of these items, in accordance with GAAP, the Organization has prepared its consolidated financial statements with the Center reported as discontinued operations.

Included in the consolidated statement of financial position within assets held-for-sale, liabilities held-for-sale, and net assets held-for-sale are the following:

*June 30, 2025*

---

#### Assets

Cash and cash equivalents	\$	4,084,151

### 19. Subsequent Events

Management has performed subsequent events procedures through December 5, 2025, which is the date that the consolidated financial statements were available to be issued. There were no subsequent events that required adjustment to the consolidated financial statements or disclosures as stated herein.
