Form 990, Part I, Line 1, Description of Organization Mission:

To provide resources to students and families in need to access financial aid, scholarships, private financial support and counseling to encourage and maximize each student's educational opportunities.

GRASP's focus is on increasing college, technical school, and workforce credential access and graduation rates, particularly among families without sufficient financial resources to accomplish this without GRASP's guidance and financial assistance.

GRASP anticipates continuing to take advantage of the Virginia Neighborhood Assistance Tax Credit Program ("NAP") and Education Improvement Scholarship Program ("EISP"). The NAP and EISP programs provide significant tax incentives to Virginia private and business donors who support scholarships and other tuition assistance programs as defined further in Item III, 4(c).

Form 990, Part III, Line 1, Description of Organization Mission:

GRASP's mission is to help all students and their families, with a focus on financially disadvantaged households, by: giving inspiration and hope that their goals are attainable; assisting them with the financial aid process and awarding scholarships; and supporting them in the attainment of their post-secondary goals at the lowest possible cost. GRASP is the only organization in the regions we serve that is primarily focused on assisting students with the postsecondary financial aid process and scholarship searching for all students.

Financial aid is critical to increasing college access and success and

is most effective when students and families learn about it early enough to make informed choices and plans. GRASP fills a substantial gap in the college access and success pipeline and fulfills our mission to ensure that every student has an equal opportunity for continuing education after high school through a balanced continuum of services.

Form 990, Part III, Line 2, New Program Services:

In 2024, GRASP launched the Pathways Scholarship Program, a new 4-year pilot initiative designed to help Richmond, Virginia's youth overcome the barriers that too often prevent them from reaching their full potential. Many young people in Richmond face significant but surmountable challenges as they transition from high school to postsecondary education. To address these barriers, the Pathways program will offer opportunities to explore postsecondary options, educate youth regarding setting and achieving long-term goals, and support youth to apply for financial aid and community college. In addition, participants will receive a scholarship and a monthly stipend to cover basic living needs for up to three years while attending community college. This program is a critical resource for keeping Richmond Public School students at risk of dropping out engaged and supported. Initial funding from the City of Richmond ensures that the program will be sustainable throughout its four-year pilot phase.
