INDEPENDENT AUDITOR'S REPORT

Board of Directors
Tennessee Medical Foundation, Inc.
Brentwood, Tennessee

Opinion

We have audited the accompanying financial statements of Tennessee Medical Foundation, Inc., which comprise the statements of financial position as of December 31, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Tennessee Medical Foundation, Inc. as of December 31, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Tennessee Medical Foundation, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Management for the Financial Statements (Continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tennessee Medical Foundation, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tennessee Medical Foundation, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tennessee Medical Foundation Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

TENNESSEE MEDICAL FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Purpose

Tennessee Medical Foundation, Inc. ("the Foundation") is a non-profit organization that exists primarily to administer the physicians health program, a program that assists physicians impaired by mental and emotional illnesses, chemical dependency, or both. The Foundation was incorporated in 1952 under the laws of the State of Tennessee and is supported, in part, by Tennessee Medical Association member contributions and dues allocations.

Basis of Accounting

The financial statements of Tennessee Medical Foundation, Inc. are maintained and presented on the accrual basis of accounting. Revenues are generally recognized when earned and expenses are generally recognized when incurred.

Financial statement presentation follows the requirements of the Financial Accounting Standards Board (FASB) Accounting Standards Codification Topic related to Presentation of Financial Statements of Not-for-Profit Associations. Under the FASB Accounting Standards Codification, the Foundation is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions:

These are net assets that are not subject to donor-imposed stipulations. The Foundation had net assets without donor restrictions of \$1,128,315 and \$1,123,816 as of December 31, 2024 and 2023, respectively.

Net assets with donor restrictions:

These are net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Foundation and/or the passage of time. This classification also includes net assets subject to donor-imposed stipulations that may be maintained permanently by the Foundation. Generally, donors of these assets permit the Foundation to use all or part of the income earned for general or specific purposes. The Foundation had no net assets with donor restrictions as of December 31, 2024 and 2023.

Cash and Cash Equivalents

For purposes of the statement of cash flows, Tennessee Medical Foundation, Inc. considers all highly liquid investments with a maturity of 90 days or less when purchased to be cash equivalents. As of December 31, 2024 and 2023, the Foundation had no cash equivalents.

TENNESSEE MEDICAL FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2024 AND 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Certificates of Deposit

Certificates of Deposit ("CDs") are recorded at their amortized cost, which is the initial cost of the investment adjusted for amortization of premiums or accretion of discounts over the term of the CDs. CDs are listed under cash and cash equivalents on the statement of financial position if the original maturity date when purchased is less than 90 days. CDs with an original maturity date greater than 90 days are listed under certificates of deposit on the statement of financial position. Interest income is recognized on an accrual basis and included in interest income on the statement of activities.

Accounts Receivable

Accounts receivable are reported at their estimated collectible amounts. They are periodically evaluated for collectability based on management's assessment of each account. An allowance for doubtful accounts is established as losses are estimated to have occurred through recognition of bad debt expense. When management confirms the uncollectibility of an account receivable, such amount is charged off against the allowance for doubtful accounts. No allowance for doubtful accounts was recorded at December 31, 2024 and 2023.

Prepaid Expenses

Prepaid expenses consists of rent, insurance, and event deposits which are paid in advance.

Fixed Assets

Fixed assets consists of office equipment and furniture and fixtures. Purchases above \$500 are recorded at cost. Depreciation is provided in amounts necessary to allocate the cost of assets over their estimated useful lives using the straight-line method. The estimated useful lives of all major classes of fixed assets are as follows:

Equipment	3-5 years
Furniture and Fixtures	7 years

TENNESSEE MEDICAL FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2024 AND 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Leases

The Foundation made an accounting policy election available under Topic 842 not to recognize right-of-use ("ROU") assets and lease liabilities for leases with a term of 12 months or less. For all other leases, ROU assets and lease liabilities are measured based on the present value of future lease payments over the lease term at the commencement date of the lease (or January 1, 2022, for existing leases upon the adoption of Topic 842). The ROU assets also include any initial direct costs incurred and lease payments made at or before the commencement date and are reduced by any lease incentives. To determine the present value of lease payments, the Foundation used the discount rate implicit in the lease agreement if not readily determinable, the Foundation made an accounting policy election available to non-public companies to utilize a risk-free borrowing rate, which is aligned with the lease term at the lease commencement date (or remaining term for leases existing upon the adoption of Topic 842).

Other Assets

Other assets is comprised of software and development costs. Amortization is provided in amounts necessary to allocate the cost of assets over their estimated useful lives using the straight-line method. The estimated useful lives of all major classes of other assets are as follows:

Computer software	3 years
-------------------	---------

Revenue and Revenue Recognition

Grants and contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any restriction. Grant revenues are recognized as the related expenditures are incurred.

Participant dues are recognized in the period in which the membership services are provided. Dues received in advance for an upcoming period are recorded as deferred revenue.

Donated Services and Goods

Donated services and goods are recognized if they create or enhance non-financial assets, or the donated service requires specialized skills, was performed by a donor who possesses such skills, and would have been purchased by the Foundation if not donated. Such services are recognized at fair value as support and expensed in the period the services are performed.

Members of the Board of Directors have provided substantial assistance to the Foundation by donation of time and services. The value of this contribution is not reflected in the financial statements since it is not susceptible to objective measurement of valuation.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from estimates.

Functional Allocation of Expenses

Expenses that can be directly attributed to a particular function are charged to that function. Accordingly, certain costs have been categorized based on specific identification of costs incurred or allocated as determined by management.

<u>Expense</u>	<u>Method of Allocation</u>
Salaries and Payroll Taxes	Time and Effort
Depreciation	Use of Asset
Rent and Leases	Square Footage
Insurance	Policy Coverage

Compensated Absences

Compensated absences for sick pay and personal time have not been accrued since they cannot be reasonably estimated. The Foundation's policy is to recognize these costs when actually paid.

2. AVAILABILITY OF FINANCIAL ASSETS

The following reflects the Foundation's financial assets as of December 31, 2024 and 2023, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the statement of financial position date:

	2024	2023
Cash and Cash Equivalents	\$ 302,350	\$ 363,802
Certificates of Deposit	643,343	614,067
Accounts Receivable	58,039	64,461
Grants Receivable	105,744	72,757
Prepaid Expenses	18,585	13,219
Financial assets available to meet cash needs for general expenditures within one year	\$ 1,128,061	\$ 1,128,306

TENNESSEE MEDICAL FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2024 AND 2023

2. AVAILABILITY OF FINANCIAL ASSETS (CONTINUED)

There is an adequate amount of financial assets available as of December 31, 2024 and 2023. The Foundation effectively manages its liquid available resources to meet cash needs for general expenditures within one year of the statement of financial position date.

3. CONCENTRATION OF CREDIT RISK

Financial instruments that potentially subject the Foundation to concentrations of credit risk consist primarily of cash and cash equivalents. Cash is maintained in demand deposit accounts which, at times, may exceed federally insured limits. By their nature, all such financial instruments involve risk, including the credit risk of nonperformance by other parties. Exposure to credit risk is managed through credit approvals and monitoring procedures. The Foundation had no major concentrations of credit risk at December 31, 2024 and 2023 other than uninsured deposits.

The Foundation received contributions of \$231,700 and \$230,750 for the years ended December 31, 2024 and 2023, respectively, from private donors. A major reduction of funds by the company would have a significant effect on future operations.

4. RELATED ORGANIZATION

The Foundation conducted business with related party Organizations during the years ended December 31, 2024 and 2023: the Tennessee Medical Association, the TMF Endowment Fund, Inc., and the TMF Loan Fund, Inc.

A portion of dues paid by members of the Tennessee Medical Association are allocated to the Foundation. The allocation was \$100,942 and \$99,073 for the years ended December 31, 2024 and 2023, respectively. The Foundation also purchased educational and advertising space as part of a sponsorship package in Tennessee Medical Association's monthly publication for a total of \$14,000 per year.

The Foundation provides office space and staff to TMF Endowment Fund, Inc. ("TMFEF") generally at no cost. TMFEF solicits contributions to a permanent endowment, the income from which can be used to support the Foundation's activities. During the years ended December 31, 2024 and 2023, the Foundation did not receive compensation from TMFEF.

During the years ended December 31, 2024 and 2023, the Foundation was under contract to administer the TMF Loan Fund, Inc. ("TMFLF"). The Foundation was compensated \$2,000 for services rendered during the years ended December 31, 2024 and 2023.

8. INCOME TAXES

The Foundation has qualified for tax-exempt status under Section 501(c)(3) of the Internal Revenue Code. It has been classified as a charity that is not a private foundation.

The Foundation files a U.S. Federal Form 990-Return of Organization Exempt from Income Tax. The Foundation's returns for the years prior to fiscal year ended December 31, 2021 are no longer open for examination.

The Foundation has evaluated its tax positions in accordance with the Codification Standard relating to Accounting for Uncertainty in Income Taxes. The Foundation believes that it has taken no uncertain tax positions.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through July 9, 2025, which is the date the financial statements were available to be issued.

Subsequent to the December 31, 2023 financial statement date, the Foundation received approval for a new grant, effective July 1, 2024 through June 30, 2027. This grant will reimburse certain expenses outlined in the grant contract up to \$333,333 each year for a total of \$1,000,000.

This grant will have a significant impact on the Foundation's financial position in the upcoming year. Management is currently in the process of finalizing the detailed implementation plan for the utilization of the grant funds.
