We conduct in-person programming led by REEF staff as well as the wide network of partners including dive shops and clubs, nature centers, and public aquaria. Public engagement with conservation is also fulfilled through the Volunteer Fish Survey Project, regarded as one of the most effective and powerful ocean citizen science programs. It gives divers and snorkelers an engaging and meaningful way to support marine conservation. Participants SCUBA dive and snorkel to collect and report information on marine fish populations as well as sea turtles
