Our organization is dedicated to enhancing the well-being of parrots by providing specialized care, rehabilitation, and educational programs. Through our efforts, we aim to create a nurturing environment that promotes the physical and emotional health of these intelligent and social birds. Our services include medical treatment, behavioral enrichment, and adoption programs to ensure that parrots receive the support they need to thrive in captivity.

Part and Line Number: **Part III - Line 28**

Rescue/Rehabilitative Fostering/Adoption/Re-homing - Intake homeless parrots from a variety of sources (owner surrender, found birds, transfer from Animal Control/Humane Society). Provide rehabilitative fostering to prepare for future adoptive home including working on behavior/socialization/training, improved health through medical care and long-term health through diet and husbandry. Re-home to qualified permanent adoptive homes where each bird may thrive. Number of persons benefited: 101 parrots were surrendered in 2023. 76 parrots were adopted out to homes. Additional persons benefitted by giving potential surrenders the tools to help keep their parrot.

Part and Line Number: **Part III - Line 29**

Outreach and Education - Community education about parrots and their required care. Without education, more birds will continue to be relinquished. Services include free parrot care classes, speaking to local schools, and attending other community events to raise awareness surrounding proper parrot care. Number of persons benefited: hundreds of people attended classes held by STAR. Through educational mailings, social media education posts, after school programs, parrot care classes, and other awareness programs, our education/outreach program reaches hundreds, if not thousands of additional people.
