Technical Assistance

CSHA provides technical assistance to help schools and communities set up and sustain school health centers and school-based health programs, including new tools and resources. We also managed special projects and learning collaboratives focusing on mental health, peer mentoring, tobacco use prevention, and substance abuse screening. Our conference, webinars, tool kits, and technical assistance help SBHCs offer high-quality, age-appropriate care to students and families. Accomplishments include:

- Increasing the number of SBHCs in California from 300 to over 400. Today approximately 300,000 K-12 California students attend school on a campus with a school-based health center.
- Hosting our annual Conference in April 2024 with 859 registrants and792 attendees.
- Participating as a core partner in the California Community School Partnership Program, helping local education agencies across the state develop a deeper understanding of the pivotal role of school-based health program integration

Form 990, Part III, Line 4b - Program Service Accomplishments

Outreach

CSHA conducts outreach to build support for the SBHC model and to generate interest among schools and communities in addressing health, mental health, and wellness at their school sites. Accomplishments include:

-Continued with the successful implementation of the Central Valley School Health Coalition for education and health providers focused on starting/enhancing SBHCs in the Central Valley

- Led a growing network of school-health stakeholders including more than 8,000 individuals representing SBHCs, school districts, community health centers, dental

and mental health providers, policy groups, and others concerned with children's health.

- Led a Peer 2 Peer Learning Collaborative engaging 26 schools and 31 participants to support their efforts at building school-based peer programs and created an e-resource hub to support the planning and implementation of peer programs

Form 990, Part III, Line 4c - Program Service Accomplishments

Policy

CSHA Advocates for policies that improve access to high-quality care for children and youth by making SBHCs an integral part of the health care and education systems. In 2024, we sponsored California Assembly Bill 2052 (Jones-Sawyer) School-Based Health and Education Partnership Program to support the effective program administration and align definitions in Education Code. Unfortunately, AB2052 did not make it out of the Appropriations Committee and did not advance in the legislature. We also conducted advocacy with local, state, and federal legislators to support school health and school-based health services. In February 2024, we hosted a legislative briefing with almost all Assembly and Senate staffers, subject matter experts and a youth leader to highlight the importance of lifting up the experiences of young people so lawmakers continue to address gaps in health and education funding and policies.

Form 990, Part VI, Line 11b - Form 990 Review Process

Form 990 is reviewed by the Executive Director and then presented to the Board of Directors prior to filing with the IRS.

Form 990, Part VI, Line 12c - Explanation of Monitoring and Enforcement of Conflicts

CSHA's conflict of interest policy states that an interested person must disclose an actual or possible conflict of interest and be given the opportunity to disclose all material facts to the directors and members of any committee considering the

proposed arrangement. That committee then meets privately to determine whether a conflict of interest exists, appointing a disinterested person if needed to investigate alternatives. After exercising reasonable due diligence, the board of directors considers whether CSHA can obtain a more advantageous arrangement without a conflict of interest. The board then votes without the interested party present on the best course of action and the majority determines the outcome. If this process is not reasonably practical, a committee can make this determination in good faith and consistent with these standards. Each director reviews and annually signs an acknowledgment of CSHA's conflict of interest policy and is asked to disclose any conflicts.

Form 990, Part VI, Line 15a - Compensation Review & Approval Process - CEO & Top Management

The board of directors will review any compensation arrangement of the director of CSHA, and will approve the compensation arrangement in advance of payment only after determining that the compensation is just and reasonable. The board of directors will take into account the written evaluation of the director where the board and staff provide feedback, as well as considering the organization budget and salary adjustments recommended for staff. The board will document the basis for its determination concurrently with making the determination.

Form 990, Part VI, Line 15b - Compensation Review & Approval Process - Officers & Key Employees

The process to determine all other compensation increases are included in the annual budget presentation which the board reviews, changes, approves.

Form 990, Part VI, Line 19 - Other Organization Documents Publicly Available

CSHA makes its governing documents, conflict of interest policy and financial statements available to the public upon request.
