Watson Caring Science Institute:

Enclosed is the organization's 2025 Exempt Organization return.

Specific filing instructions are as follows.

FORM 990 RETURN:

This return has qualified for electronic filing. After you have reviewed the return for completeness and accuracy, please sign, date and return Form 8879-TE to our office. We will transmit the return electronically to the IRS and no further action is required. Please return Form 8879-TE to us as soon as possible, but no later than by November 16, 2026 the filing deadline.

In addition, tax-exempt organizations must make available for public inspection a copy of their annual returns for the preceding three years and exemption application, if applicable. An organization generally must furnish filings to anyone who requests them in person or in writing. An exempt organization may meet this requirement by posting all the documents on its website or at another organizations site as part of a database of similar materials. Specific requirements must be met to meet this exception.

A few final reminders relating to your tax return filings:

- There are substantial penalties for failure to properly disclose and report foreign financial accounts and foreign activity. Please make sure you have informed us of any foreign financial accounts or foreign activity so that we have the necessary information to complete any required disclosures or filings.
- Be sure to review the returns prior to signing as you have final responsibility for all information included in the returns. Please contact us if you have any questions or concerns.
- We recommend you keep a paper or electronic copy of your tax returns permanently. Supporting documentation should be kept for a minimum of seven years based on IRS guidance.

CLA exists to create opportunities – for our clients, our people, and our communities. We value our relationship with you and thank you for your trust and confidence in allowing us to serve you. If we can assist you in making strategic, informed decisions in areas of tax or beyond, please contact us as questions arise throughout the year.

Sincerely,

How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
