## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of  
**Beyond Hunger**

### Report on the Audit of the Financial Statements

#### *Opinion*

We have audited the accompanying financial statements of **Beyond Hunger (the "Organization")**, a nonprofit organization, which comprise the statements of financial position as of June 30, 2025 and 2024, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2025 and 2024, and the changes in net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that

includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 9, 2025, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

**BEYOND HUNGER**  
**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEARS ENDED JUNE 30, 2025 AND 2024**

**NOTE 1 – NATURE OF ACTIVITIES**

Beyond Hunger (the “Organization”) was founded in 1978 to provide direct hunger relief services and harness the power of communities to end hunger through collective impact. The Organization serves the Oak Park, Illinois area and neighboring communities. In addition to operating a food pantry, Beyond Hunger provides nutrition and health education, kids’ summer food programs, home delivery of food to older homebound adults, and benefit services. Beyond Hunger receives funding from foundations, governmental agencies, and donations from individuals, businesses, and congregations.

The Organization was formerly incorporated as the “Oak Park River Forest Food Pantry” and officially changed its name to Beyond Hunger effective January 2019.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities in accordance with the accounting principles generally accepted in the United States of America (“GAAP”). The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Basis of Presentation

As required by generally accepted accounting principles for Not-for-Profit accounting, the Organization is required to report information regarding its financial position and activities according to two classes of net assets:

With Donor Restrictions – Net assets subject to donor-imposed stipulations which will be met whether by actions of the Organization or the passage of time. Items that affect this net asset category are gifts for which donor-imposed stipulations have not been met in the year of receipt. Restrictions that have been met on net assets with donor restrictions are reported as net assets released from restrictions. If a restriction is fulfilled in the same time period in which the contribution is received, the Organization reports the support as without donor restrictions.

Without Donor Restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. The Organization’s board may designate assets without restrictions for specific operational purposes from time to time.

Cash and Cash Equivalents

The Organization considers all highly liquid investments with a maturity of three months or less to be cash equivalents.

**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEARS ENDED JUNE 30, 2025 AND 2024**

---

Concentrations of Credit Risk

The Organization maintains cash balances at financial institutions that spread deposits across FDIC insured banks allowing for FDIC insurance protection greater than \$250,000. As of June 30, 2025, the uninsured balance is \$23K. The Organization believes it is not exposed to any significant credit risk on its cash balances.

Grants Receivable

Grants receivable are stated at amounts due from donors, net of allowances for uncollectible amounts. The Organization determines its allowance by considering a number of factors, including the length of time accounts receivable are past due, the Organization's previous collection history, the donor's current ability to pay its obligation to the Organization, and the condition of the general economy as a whole. The Organization writes off accounts receivable when they become uncollectible. No allowance for doubtful accounts was deemed necessary by management as of June 30, 2025 and 2024.

Contributions

Contributions are classified as without restrictions or with restrictions based on the donor's intent. When a donor restriction expires (i.e., when a stipulated time restriction ends or a purpose restriction is met), the Organization reclassifies the net assets with restrictions to net assets without restrictions and reports these assets as released from restriction. If a restriction is fulfilled in the same fiscal year in which the contribution is received, the Organization classifies the support as net assets without donor restrictions.

The Organization recognizes contributions when cash, or other assets; an unconditional promise to give; or a notification of beneficial interest is received. Conditional promises to give – that is those with a measurable performance or other barrier and a right of return – are not recognized until the conditions on which they depend on have been met.

Contributed Nonfinancial Assets

Contributed nonfinancial assets of food commodities used by the Organization's programs are recorded as income and expense at the estimated fair value of those items. Contributed nonfinancial assets of services are recognized when they create or enhance nonfinancial assets or they require specialized skills which would need to be purchased if they are not donated. These services are recognized as contributions at the estimated fair value based on industry standards. Contributed nonfinancial assets are reported in the statement of activities as both revenue and expense.

---

Leases

The Organization determines if an arrangement is or contains a lease at inception. Leases are included in right-of-use (ROU) assets and lease liabilities in the statement of financial position. ROU assets and lease liabilities reflect the present value of the future minimum lease payments over the lease term, and ROU assets also include prepaid or accrued rent. Operating lease expense is recognized on a straight-line basis over the lease term. The Organization does not report ROU assets and leases liabilities for its short-term leases (leases with a term of 12 months or less). Instead, the lease payments of those leases are reported as lease expense on a straight-line basis over the lease term.

Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Tax Exempt Status

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization has also been classified as an entity that is not a private foundation within the meaning of Section 509(a) and qualifies for deductible contributions as provided in Section 170(b)(1)(A)(vi). There was no unrelated business income nor unrecognized tax benefits for the years ended June 30, 2025, and 2024. The Organization's tax returns for the prior three years remain subject to examination by the Internal Revenue Service.

**NOTE 3 – NET ASSETS WITH DONOR RESTRICTIONS**

**NOTE 4 – FINANCIAL ASSETS AND LIQUIDITY RESOURCES**

The Organization regularly monitors the availability of resources required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. The Organization has various sources of liquidity at its disposal, including cash and cash equivalents. The Organization maintains a policy of structuring its financial assets to be available as its general expenditures, liabilities, and obligations become due. If the organization were to find a building to purchase in FY 2026, current and non-current pledges receivable are intended for the purchase of that building.

The Organization's financial assets available within one year of the statements of financial position date for general expenditure are as follows:

**NOTE 7 – LEASE OBLIGATION**

The Organization evaluated current contracts to determine which met the criteria of a lease. The right-of-use (ROU) assets represent the Organization’s right to use underlying assets for the lease term, and the lease liabilities represent the Organization’s obligation to make lease payments arising from these leases. The ROU assets and lease liabilities, which arise from operating leases, were calculated based on the present value of future lease payments over the lease terms. The organization has made an accounting policy election to use a risk-free rate in lieu of its incremental borrowing rate to discount future lease payments. The weighted-average discount rate applied to calculate lease liabilities as of June 30, 2025, and 2024 was 4.7% and 2.85%, respectively.

The organization’s operating leases consist of real estate leases for office and program space. For the years ended June 30, 2025, and 2024 total operating lease cost was \$55,209 and \$39,163, respectively. As of June 30, 2025, the weighted-average remaining lease term for the Organization’s operating leases was approximately one year.

Cash paid for operating leases for the year ended June 30, 2025, and 2024 was \$55,867 and \$38,800, respectively.

Future maturities of lease liabilities are presented in the following table, for the fiscal years ending June 30:

|                             |      |                  |
|-----------------------------|------|------------------|
|                             | 2026 | \$ 57,019        |
| Total Lease Payments        |      | 57,019           |
| Less Present Value Discount |      | (1,238)          |
| Total Lease Obligations     |      | <u>\$ 55,781</u> |

The Organization has elected to apply the short-term lease exception to all leases with a term of one year or less. Short-term lease costs for the year ended June 30, 2025, and 2024 was \$3,460 and \$1,900, respectively.

Contributed auction items were used for fundraising, the estimated fair value is based on published retail prices.

Contributed services recognized comprise professional services from nurses, physicians, and dietitians whose services address health inequities that often coincide with food insecurities. The estimated fair value is based on current rates for similar professional services.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors of  
**Beyond Hunger**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of **Beyond Hunger (the "Organization")**, a nonprofit organization, which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon December 9, 2025.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
