Certified Public Accountants

Board of Directors
Bibles For China, Inc.

Management is responsible for the accompanying financial statements of Bibles for China (a not-for-profit organization), which comprise the statement of assets, liabilities, and net assets—modified cash basis as of December 31, 2024 and the related statements of revenue, expenses, and changes in net assets—modified cash basis for the year then ended, and the related notes to the financial statements in accordance with the modified cash basis of accounting, and for determining that the modified cash basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements, nor were we required to perform any procedures to verify the accuracy, or the completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Notes to the Financial Statements
December 31, 2024

Note 1 – Summary of Significant Accounting Policies

A. Organization and Nature of Activities

Bibles For China, Inc. (BFC) is a charitable tax-exempt organization created on December 3, 2010, for the purpose of providing bibles to rural China.

B. Basis of Accounting and Presentation

The financial statements are presented in accordance with FASB Codification 958 and report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. The organization adopted FASB Accounting Standards Update (ASU) No. 2016-14, Not-For-Profit Entities (Topic 958): Presentation of Financial Statements of Not-For-Profit Entities.

The financial statements have been prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Revenue is recognized when received and expenses are recognized when paid. Therefore, some accrued income and expenses, assets, payables, and deferred expenses, which would be recognized under generally accepted accounting principles, may not be recognized in the accompanying financial statements.

C. Cash and Cash Equivalents

For purposes of the statement of cash flows, BFC considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

D. Use of Estimates

The preparation of financial statements in conformity with modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

Note 1 – Summary of Significant Accounting Policies (Continued)

E. Taxes

Bibles For China, Inc. is exempt from income taxes under code Section 501(c)(3) of the Internal Revenue Code. The Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2). As a result, no provision for current or deferred income tax liability is recognized. The Organization believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.

The BCF's federal form 990 returns for 2022, 2023 and 2024 are subject to examination by the IRS, generally for three years after they were filed.

F. Donated Services

During the year ended December 31, 2024, the value of donated services meeting the requirements for recognition under FASB Codification 958 was not satisfied and therefore has not been recorded. In addition, many individuals volunteer their time and perform a variety of tasks that assist the BFC.

G. Public Support and Revenue

Contributions are generally available without restrictions in the related year unless specifically restricted by the donor. Grants and other contributions are reported as support with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

H. Property and Equipment

All acquisitions of property and equipment more than \$1,000 and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using primarily the straight-line method.

Notes to Financial Statements
December 31, 2024

Note 2 – Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Note 3 – Concentration of Credit Risk

At times, cash balances held at financial institutions were in excess of federally insured limits. The Organization places its temporary cash investments with high-credit, quality financial institutions. Management of the Organization believes no significant concentration of credit risk exists with respect to these cash investments.

Note 4 – Subsequent Events

Subsequent events were evaluated through June 2, 2025, which the date the financial statements were available to be issued.
