## INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To the Board of Directors  
AMAC Foundation, Inc.  
Lady Lake, FL

We have reviewed the accompanying financial statements of AMAC Foundation, Inc. (the Foundation), which comprise the statements of financial position as of December 31, 2025 and 2024, and the related statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

### **Accountant's Responsibility**

Our responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of the Foundation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our reviews.

### **Accountant's Conclusion**

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

***Kattell and Company, P.L.***

**Notes to the Financial Statements**  
**December 31, 2025 and 2024**  
**AMAC Foundation, Inc.**

**NOTE 1 – NATURE OF ENTITY AND TAX STATUS**

AMAC Foundation, Inc. (the Foundation) was launched in July, 2013, in response to interest expressed by members of the Association of Mature American Citizens, Inc. (AMAC) for a nonprofit organization focused totally on the needs of America’s older citizenry. These interests coincided with the stated mission of AMAC; that is, to serve as the voice of Americans 50 years of age and older, and to sponsor initiatives that keep America strong.

The Foundation, AMAC, and AMAC Action are considered related parties for the following reasons:

- The incorporators of the Foundation included the owner of AMAC and two family members. In addition, three of the nine current board members of the Foundation include the owner of AMAC and family members.
- The Foundation shares board members with AMAC Action. These board members include the incorporators of the Foundation and two family members.
- The Foundation occupies space owned by AMAC and AMAC Action. See Note 5 and 6 for more details.

The Foundation is tax exempt under Section 501(c)(3) of the Internal Revenue Code and does not earn any unrelated business taxable income. Therefore, no provision for income taxes is reflected in the accompanying financial statements. In addition, the Foundation qualifies for the charitable contributions deduction and has been classified by the Internal Revenue Service as an organization that is not a private foundation. The Foundation is operated exclusively for charitable, scientific, and educational purposes.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The significant accounts and reporting policies used by the Foundation are described subsequently to enhance the usefulness and understandability of the financial statements.

**Basis of Accounting**

The financial statements of the Foundation have been prepared on the accrual basis of accounting and are presented using accounting principles generally accepted in the United States of America, as applicable to not-for-profit corporations. (U.S. GAAP)

**Cash**

Cash consists primarily of deposits in a checking account.

**Contributions Receivable**

Contributions receivable consists primarily of amounts collected by AMAC from its members on behalf of the Foundation. Amounts are remitted to the Foundation shortly after year end. There is no allowance for uncollectable accounts as amounts are fully collected.

**Inventory**

Inventory consists of *Ask Rusty: What’s So Hard About Social Security* and *Ask Rusty: Demystifying Social Security*, social security reference manuals published and printed by the Foundation. Inventory is valued at cost using the first-in, first-out method. A small number of copies of the book are sold; however, the majority of the books are distributed as part of the Foundation’s program services.

**Notes to the Financial Statements**  
**December 31, 2025 and 2024**  
**AMAC Foundation, Inc.**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Property and Equipment**

The Foundation's policy is to capitalize all purchases of furniture, equipment, and other capital assets with a value of \$2,500 or greater and a useful life in excess of one year. Purchased fixed assets would be recorded at cost and donated fixed assets would be initially recorded at estimated fair value. Depreciation expense would be computed on a straight-line basis over estimated useful lives of the assets. The Foundation had no assets meeting this policy during the years ended December 31, 2025 and 2024.

**Net Assets**

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

*Net Assets With Donor Restrictions* – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. No part of the net assets of the Foundation were donor restricted at December 31, 2025 and 2024.

**Revenue Recognition - Contributions**

*Contributions.* Contributions are recognized as revenue when assets are received or unconditionally pledged and are recorded at their estimated fair values.

*Contributions – Donor Restrictions.* The Foundation reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. Amounts that are restricted for future periods or restricted by the donor for specific purposes are reported as temporarily restricted support; however, donor-restricted contributions whose restrictions are met within the same fiscal year are reported as unrestricted support. When a temporary restriction is satisfied, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. The Foundation received no such gifts for the years ended December 31, 2025 and 2024.

*Contributions – Non-financial Assets.* Contributed non-financial assets consist of donated services and office space.

Donated services are recognized as contributions if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased.

Contributed office space is reported as occupancy expense.

**Notes to the Financial Statements**  
**December 31, 2025 and 2024**  
**AMAC Foundation, Inc.**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)**

**Revenue Recognition – Contracts with Customers**

Revenue from the sale of inventory is recognized at the point of sale. Program service revenues are recognized when the service is rendered. There are no contract assets or liabilities reported for the year ended December 31, 2025 and 2024.

**Use of Estimates**

The preparation of financial statements in conformity with U. S. GAAP requires the Foundation to make estimates and assumptions that affect the reported amounts of assets and liabilities and the reported amounts of revenues and expenses during the reporting period. Actual results could vary from these estimates.

**Functional Expenses**

Expenses are classified in the following functional categories:

***Program Services*** – Program services consist of direct costs of the following projects and an allocation of overhead costs:

- Operation of two daily, subject-oriented websites: SocialSecurityReport.org and MedicareReport.org.
- Seminars/Workshops including some of the following areas/topics:
  - New to Medicare
  - Social Security Overview
  - Women and Social Security
  - Veterans Benefits
  - “Sudden Death – Are You Prepared?”
  - Understanding Advance Directives
  - Combating the Growing Problem of Elder Fraud
  - Understanding & Responding to Dementia-Related Behavior
- Production of external publications of interest to our constituency (e.g., “Ask Rusty: What’s so hard about Social Security”; Weekly blog on topics important to Seniors).
- Maintenance of a searchable reference database identifying programs, services, and general information in support of the Veteran Community.
- Operation of an advisory program for the public to address questions about individual Social Security qualifications, featuring seven trained and NSSA-Accredited Advisors on the Foundation staff. This service also operates a weekly column on Social Security issues (“Ask Rusty”) published to over 7,000 media outlets across the nation in written and audio formats.

***Fundraising*** – Fundraising expenses include an allocation of contract labor and overhead costs, as well as other direct expenses. In 2024, the Foundation engaged fund-raising counsel to conduct direct mail fundraising campaigns. All costs of direct mail campaigns are reported as fundraising expenses. Costs incurred consist primarily of professional fees, printing and postage.

***Management and General*** – Management and general expenses include all activities required to conduct the affairs of the Foundation which are not allocable to other functional areas.

Expenses that can be identified with a specific function are charged directly to that function, whereas costs common to multiple functions have been allocated. Allocated costs consist primarily of personnel, occupancy, and general office costs and are allocated based on estimates of the percentage of time spent in each function by employees.

**Notes to the Financial Statements**  
**December 31, 2025 and 2024**  
**AMAC Foundation, Inc.**

**NOTE 3 – CASH**

Deposits in financial institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to a limit of \$250,000 per institution. The Foundation held no amounts in excess of insured limits at December 31, 2025 and 2024, respectively.

**NOTE 4 – LIQUIDITY AND AVAILABILITY**

Financial assets available for general expenditure consist of the following at December 31:

	<b><u>2025</u></b>	<b><u>2024</u></b>
Cash	\$ 107,531	\$ 114,216
Contributions receivable	<u>40,326</u>	<u>17,060</u>
<b>Total Financial Assets</b>	<b><u>\$ 147,857</u></b>	<b><u>\$ 131,276</u></b>

The Foundation has structured its financial assets to be available as its general expenditures and liabilities come due. The Foundation does not generally experience cash deficits and, therefore, has instituted no mechanism for financing them. The Foundation currently has no process to invest cash in excess of foreseeable cash needs.

**NOTE 5 – FACILITIES**

In 2024, the Foundation leased space in offices owned by a board member and AMAC. The Foundation paid \$1,750 for nearly six months; thereafter, the space was donated at an estimated value of \$1,750 per month. In December, 2025, the Foundation entered into an informal agreement to occupy space leased by AMAC Action for \$1,953 per month. Lease expense consists of the following for the years ending December 31:

	<b><u>2025</u></b>	<b><u>2024</u></b>
Estimated Value of Donated Space	\$ 19,250	\$ 8,750
Rent Paid	<u>1,953</u>	<u>9,653</u>
<b>Total Occupancy Expense</b>	<b><u>\$ 21,203</u></b>	<b><u>\$ 18,403</u></b>

**NOTE 6 – RELATED PARTY TRANSACTIONS**

For the years ended December 31, 2025 and 2024, the Foundation entered into the following transactions with related parties?

	<b><u>2025</u></b>	<b><u>2024</u></b>
Rent paid to AMAC	\$ --	\$ 9,653
Rent paid to AMAC Action	\$ 1,953	\$ --
Professional fees paid to board member	\$ 4,800	\$ 4,800

**NOTE 7 – GOING CONCERN**

Decreases in net assets for 2025 and the three previous years resulted in a net asset balance of \$2,017 at December 31, 2025. In response to increased demand for services and shortfalls in funding, management engaged in direct mail fundraising beginning in 2024. Although deficits are expected in the first few years of direct mail fundraising, management expects surpluses in the near future. In addition, management expects continued support from major legacy donors.

**Notes to the Financial Statements**  
**December 31, 2025 and 2024**  
**AMAC Foundation, Inc.**

**NOTE 8 – SUBSEQUENT EVENTS**

The Foundation has evaluated events and transactions for potential recognition or disclosure through February 25, 2026, which is the date the financial statements were available to be issued.
