Independent Auditors' Report

To the Board of Directors
Lawyers for Good Government, Inc. and Affiliate
Washington, District of Columbia

Opinion

We have audited the accompanying consolidated financial statements of Lawyers for Good Government, Inc. and Affiliate (a nonprofit organization), which comprise the consolidated statements of financial position as of December 31, 2023 and 2022 and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial positions of Lawyers for Good Government, Inc. and Affiliate as of December 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Lawyers for Good Government, Inc. and Affiliate and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Lawyers for Good Government, Inc. and Affiliate's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Lawyers for Good Government, Inc. and Affiliate's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lawyers for Good Government, Inc. and Affiliate's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

LAWYERS FOR GOOD GOVERNMENT, INC. AND AFFILIATE

Notes to Consolidated Financial Statements

For the Years Ended December 31, 2023 and 2022

Note 1. Nature of Activities

Lawyers for Good Government (L4GG) is a rapidly growing fully remote non-profit organization focused on mobilizing lawyers and advocates in large-scale pro bono programs and issue advocacy campaigns to establish and enforce human rights and equality under the law. We were founded in November 2016 to respond to anticipated threats to human rights and the rule of law, and since then, have brought more than 125,000 lawyers and concerned community members together to fight for human rights and equal justice.

When legal needs emerge, L4GG launches, scales, and manages rapid and effective response programs and policy advocacy to address both the causes and the impacts of inequity in our political and legal system. We show up where we're needed, when we're needed—and lately, we've been needed to defend the human rights of asylum seekers, protect communities impacted by climate change, fight for racial justice, and more.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting and Presentation

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities. Revenues are recognized when the services are performed, and expenses are recorded as incurred.

As required by the FASB Accounting Standards Codification, the Organization's net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net assets without donor restrictions: Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net assets with donor restrictions: Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates those resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Use of Estimates and Assumptions

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

LAWYERS FOR GOOD GOVERNMENT, INC. AND AFFILIATE

Notes to Consolidated Financial Statements

For the Years Ended December 31, 2023 and 2022

Note 2. Summary of Significant Accounting Policies (Continued)

Cash and Cash Equivalents

The Organization considers cash and cash equivalents to be cash on hand, cash in operating bank accounts, sweep accounts and money market funds. The Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Accounts Receivable

Accounts receivable is stated at the amount the Organization expects to collect from outstanding balances. The Organization considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be recognized as an expense when management makes that determination.

Fixed Assets

Fixed assets are recorded at cost or if donated, at fair value on the date of receipt. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives. The Organization's capitalization policy is any amount over \$500.

The Organization computes depreciation using the straight-line method over the following estimated lives:

Computer and technology	3 Years
Office equipment and furniture	3 Years

Income Tax Status

Lawyers for Good Government, Inc. (c3) qualify as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. This code section enables the Organization to accept donations which qualify as charitable contributions to the donor. Lawyers for Good Government Action Fund (c4) is exempt from federal income tax under Section 501(c)(4) of the Internal Revenue Code.

Revenue Recognition

Contributions: The Organization recognizes contributions when cash, securities, other assets, and unconditional promises to give, or notification of a beneficial interest are received. Conditional promises to give – that is, those with a measurable performance or other barrier and a right of return – are not recognized until the conditions on which they depend have been met.

Unconditional contributions may or may not be subject to donor-imposed restrictions. Donor-imposed restrictions limit the use of the donated assets but are less specific than donor-imposed conditions. Contributions received and unconditional promises to give are measured at their fair values and are reported as an increase in net assets. The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations about the use of the donated assets, or if they are designated as support for future periods.

Note 2. Summary of Significant Accounting Policies (Continued)

Exchange transactions: Reciprocal transfers in which each party receives and sacrifices goods or services with approximate commensurate value are recognized as exchange transactions. The Organization adopted Accounting Standards Codification (ASC) Topic 606, Revenue from Contracts with Customers (Topic 606) using the modified retrospective method applied to all contracts not completed as of the date of the adoption. The core principle is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. To achieve that core principle, an entity should apply the following steps: (i) identify the contract(s) with a customer, (ii) identify the performance obligations in the contract, (iii) determine the transaction price, (iv) allocate the transaction price to the performance obligations in the contract and (v) recognize revenue when (or as) the entity satisfies a performance obligation.

The Organization applies Topic 606 to exchange transactions in which it receives consideration for products or services offered. Under U.S. GAAP, these arrangements are exchange transactions between the Organization and the customers participating in the Organization's programs or using their services. The Organization's revenue is derived from grants and contributions from individuals and corporations. All revenue is recorded at estimated net realizable amounts.

Contributed Services and Gifts in Kind

Donated goods are reported as contributions in the consolidated financial statements at their estimated fair values at the time of receipt. Donated services are similarly reported when services are performed which would otherwise have been purchased or performed by Organization personnel.

Many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific educational programs, administrative and clerical functions as well as various committee assignments, the consolidated financial statements reflect the estimated value of these contributed services.

Functional Allocation of Expenses

The costs of providing programs and other activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among program services and supporting services benefited. Such allocations are determined by management on an equitable basis. Professional fees, salaries, payroll taxes and benefits are allocated depending on time and effort. Rent is allocated in accordance with square footage used by full-time equivalents.

The following functional expenses are directly allocated to the programs, projects and departments as they are utilized:

- Travel
- Insurance
- Information technology
- Office expenses

The following functional expenses are allocated depending on time and effort:

- Payroll taxes and benefits
- Professional fees
- Salaries

Note 3. Concentration of Credit Risk

The Organization maintains its cash and cash equivalents at a major bank. The Federal Deposit Insurance Corporation (FDIC) insures balances in non-interest bearing and other deposit accounts as an aggregate balance at each financial institution up to \$250,000. The risk is managed by maintaining all cash accounts in high-quality financial institutions insured by the FDIC up to \$250,000. At December 31, 2023 and 2022 the Organization had \$954,185 and \$868,905, respectively, in excess of FDIC insurance.

Note 4. Liquidity and Availability of Financial Assets

The table below presents the Organization's financial assets available within one year to meet its general expenditures at December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>

Depreciation amounted to \$3,243 and \$3,194 for the years ended December 31, 2023 and 2022, respectively.

Note 6. Subsequent Events

The Organization evaluated events that occurred after December 31, 2023, the date of the consolidated statement of financial position, but before the date the consolidated financial statements were available to be issued, September 20, 2024, for potential recognition or disclosure in the consolidated financial statements. There were no material subsequent events noted that would require disclosure.
